News from the parish council

Change of officers

At our AGM. on 7 May 2012 it was resolved to nominate the following officers:

Chairman - Cllr Frank Jones.

Vice-Chairman - Cllr Ken Etherington.

Responsible Financial Officer - Cllr Ken Etherington.

Temporary road closure

Kneeton Lane

Kneeton Lane will be closed from 2 - 10 June to enable contractors to put in a tunnel for the conveyor to take stone from Middleton Lodge to Barton Quarry. The tunnel will be under the road near Under Kneeton and the Lodge Gates. The road will be closed from the Lodge entrance (Cricket Field) and the Barton road junction. It is hoped that people will not have too much trouble getting about over the Jubilee weekend.

Picnic on The Green

A Parish Council sub-committee has kindly agreed to arrange a Picnic on The Green for the Queen's Diamond Jubilee on the 3 June. Let's hope the sun shines more than it has done recently.

Best Kept Village

We are hoping to get as many residents as we can for a tidy-up around the village on the weekend of Sat 30 June/Sun 1 July ready for the judges in the first two weeks in July. If anyone will be able to spare a couple of hours on either day can you contact Ken Etherington on 337605 and say what part of the village you could do.

But if you prefer to go out and Womble any other time, do please wear a pair of gloves as well as taking a bag with you for the rubbish. It would also be very helpful if everyone can keep the roadside of their property tidy, grass verges kept cut, hedges cut and weed free. With a bit of luck and some TLC we can do better than last year.

Village Website

Just a reminder that the Village News is now printed electronically on the Village Website. If you would like to receive the Village News this way please let the editor know. It all helps to save paper and running costs, including the grant from the parish council.

School report

Kenyan Visitor

We currently have a link with a primary school

in Kenya, in a small town called Mbita which is a rural community in the province of Nyanza, on the shores of Lake Victoria. This alliance enables our pupils to learn about and understand the lifestyle of children in a very different part of the world.

Head teacher, Mrs Price, said "We were delighted to welcome Mr Boniface Ezekiel Okongo, head teacher of Kamayoge Primary School to our school. He worked with all of our classes during the week and the children had opportunities to ask questions and even play football with him. Mr Okongo worked most closely with our Year 6 children on activities involving health, food and exercise."

This visit will be followed up by a reciprocal visit during the half term holiday by Mr Staincliffe, our Year 6 teacher, who will visit Mbita and work with the children from Kamayoge School as part of this joint partnership project.

100 Club Winners for April

1st – C Sales

2nd – L Kavanagh

3rd – T Sathyamorthy

Sporting Events

Some of our Junior students recently took part in a biathlon event. All the children gave their best efforts which resulted in some great outcomes. Our Year 4 children also took part in an inter-school cricket tournament at Richmond Cricket Club.

Well done everyone!

A date for your diary

Are you having a clear out of your old winter clothing? Do you have any bedding, curtains, bags or shoes you no longer need? 'BAGS TO SCHOOL' helps to raise money for the school by recycling unwanted clothing, bedding and curtains. We would be grateful if you could fill the bags ready for collection on 20 June. Bags should be brought to the PARENTS' CAR PARK ONLY at 9.00am on this day.

St Teresa's Hospice

Thank You to all the people who came along to 'Teatime Treats' at Middleton Lodge in early May. We enjoyed a glass of bubbly and an excellent cookery demonstration by the resident chefs, Caroline and Robert, followed by a yummy Afternoon Tea and a well-stocked raffle. Special thanks to James and the Allison

family for so kindly hosting and whole-heartedly supporting this event.

In all, a profit of £544 was made for Darlington and District Hospice (St Teresa's) so thanks to you all for your generosity. We appreciate the support of all involved, without which our local hospice could not keep up the excellent service it has given for more than 25 years.

All Morning Breakfast

Thank you so much to everyone who donated raffle prizes, helped in any way on the day or came along as very welcome customers to the Village Shop's All Morning Breakfast. We raised £300 of which just over £100 went straight back in the till to pay for the delicious breakfast and made a very welcome addition to the day's takings. The rest of the money will help to fund more delicious offers on the shelves in the coming weeks.

A New Era is Here

Our Memorial Hall belongs to **you**, the residents of Middleton Tyas.

After the First World War the residents of the village wished to build a hall as a memorial for those from this parish who fought in the Great War and as a thanks offering for those who returned in safety.

The land to build the hall was kindly donated for this purpose, and the residents provided the finances for the building which sits on the land. The hall has five trustees, but a management committee deals with the day-to-day running of the hall.

Since 1931 residents have formed a management committee which has kept the hall functioning and because of all this hard, dedicated work done in the past for which we are grateful, the hall is what it is today.

Now it is our turn to keep the good work going for future generations.

Do you want to be part of this?

A new management committee is being formed and if you are interested in being part of the history of this great Memorial Hall please contact Barbara Oram on 339130.

MTOC?

This could be the acronym for Middleton Tyas Oil Club which as yet, does not exist, you may have read of such schemes in the press or are aware of the Moulton Oil Club. If you use oil to heat your home you could buy it for up to 8p a litre less if you joined a bulk-buying group within the village. The larger the order the lower the price. The minimum order would always be 500 litres (by law). For those who burn oil in Agas the necessary additives would be provided.

I am new to the village and have to heat my house with oil. I am not connected to oil companies in any way. If this sounds of interest to you please email me on harris.potter10@gmail.com within two weeks of receiving this Village News. The system would be most efficient if it operated solely by e-mail as it could get cumbersome if numerous telephone calls had to be made.

If enough people respond I will then book the Memorial Hall and we can meet to discuss the practicalities of running such a system for our mutual benefit.

Letter from Canon Rachel Stowe

A Diamond Jubilee is a rarity few of us are likely to experience again. For those of us born in the reign of our Queen's grandfather, George V, it can be a good excuse for a real old nostalgia-fest. My diary for February 6 1952 reads: 'King George VI dies suddenly. Everyone v shocked. Straw lorry comes. Tractor (my much loved little grey Ferguson) conks out. Concert put off.' I was then the same age as my eldest granddaughter is now. And so I think – what sort of a world are we, sixty years on, passing on to her and her contemporaries?

In 1952, seven years after the end of the second world war, rationing of sweets and chocolate still existed. There was no teenage fashion; we girls were clones of our mothers,

boys of their fathers, though this was soon to change. Our highlights were the village hall Saturday night 'hop' (dance) or a week's holiday at Scarborough or Blackpool, few crossed the English Channel. We travelled by bike, bus or train. For many, a telephone was something in a red kiosk; mobiles and computers were not even dreamt of. But there was a great feeling of optimism at a new Elizabethan age.

Churchwise, Geoffrey Fisher was Archbishop of Canterbury; George Armitage Chase was Bishop of Ripon and they seemed remote and lordly figures. Few clergy had more than one parish; most churches had robed choirs and Sunday Schools. Hats and gloves for women and best clothes for all were essential.

Sixty years has seen many dramatic changes. Dread diseases such as Polio, TB and

smallpox are now treatable; we are living about 10 years longer, our ageing multi-cultural population has increased by 13 million. Our children are now taller and are educated for longer. £1 in 1952 equals £25 now; car ownership has increased almost a tenfold, home ownership has doubled. But parishes have been grouped in teams, many village post offices, schools and pubs closed, most adults work away from the village. Former farm-workers' cottages have been 'gentrified' by the affluent retired; new houses are of the 'executive' type. Are we happier? Or better people? In the 1950's almost everyone in the village knew their neighbours and would join in special events; now many live a 'privatised' existence and are rarely seen.....

So, as we celebrate the long reign of a respected and faithful monarch who has dedicated her life to our well-being – yes, our bodies and minds are better fed, but - as cars and computers and leisure opportunities proliferate and churches and chapels increasingly risk closure - are our souls shrinking? And what does this do and say to our young people?

Enjoy the celebrations and thank God for our Queen.
Love and every blessing
Rachel

Faith is a living, restless thing. It cannot do nothing. We are not saved by works; but if we do no works, there must be something wrong with our faith. Martin Luther, 1483-1586.

The Revd Lynn Thorius is to be ordained as a priest by the Rt Revd James Bell, The Bishop of Knaresborough, in St Peter's Church, Croft on Tees. The service will be held at 7.30 pm on 2 July. Light refreshments will be served after the service in Croft School. If you would like to attend please sign up on the lists that are displayed in all our churches. The lists close on Sunday 10 June.

ERTM Mothers' Union

The national MU has taken part in the Independent Parliamentary Enquiry into Online Child Protection, and speaking after the launch of its report the MU's Chief Executive, Reg Bailey, said: 'we are delighted with its recommendations...and would still advise parents to discuss the benefits and dangers of the internet as they would with any other

situations children need to learn to navigate as they grow up'. The report can be read at <http://www.claireperry.org.uk/downloads/independent-parliamentary-inquiry-into-online-child-protection.pdf>
