## **News from the parish council**

Here are several items from our March meeting which will hopefully be of interest.

### ***Police report***

The police informed us that there have recently been a number of break-ins to sheds and outbuildings in the local area. Make sure you lock up and perhaps consider an inexpensive burglar alarm for your shed or outbuilding. We discussed the perennial nuisance of cars parked on pavements causing an obstruction for people with prams or wheelchairs. PC John Wilbor, our Community Police Officer, advised us that we can notify him directly about offending vehicles, particularly persistent offenders, by e-mail at [john.wilbor@northyorkshire.pnn.police.uk](mailto:john.wilbor@northyorkshire.pnn.police.uk), or report them on 101.

The next three items are each quite different but they have a common theme – community.

### ***Village website***

First, a thank you to Norman Mahaffy who is in the process of handing over responsibility for the village website to Josephine Collis and, of course, thank you to Josephine for agreeing to take on the website.

### ***Best Kept Village***

The Best Kept Village Competition is coming around again and the judges will be out and about during the first two weeks in July. Ken Etherington has kindly volunteered to act as co-ordinator. Apart from anything else this competition provides a very good reason to give our village a (late) Spring clean and, if we win, earn several hundred pounds to be used for the benefit of our community. Let's all pull together and see if we can't take the prize this year.

Finally on the theme of community.

### ***Supporting The Village Shop***

Why do we like living here? Many and different reasons one suspects but our pleasant living conditions don't just happen, it takes people, often volunteers, to do things which maintain or enhance our quality of life. Of course, everyone will not be able to contribute equally but we can all do our bit and there are lots of ways of helping for example, by popping into the Village Shop to make some of your food purchases – if you want to know how important that is go to the village website at [www.middletontyas.org.uk](http://www.middletontyas.org.uk) and look up

page 2 of March's Village News where there is an article about the shop and its survival.

### ***Joining the Parish Council***

Another way to help make a difference to our community is by joining the Parish Council which is not all Vicar of Dibley or remotely like PM's question time in the House of Commons. What it really involves is a meeting, normally held monthly, where a small number of villagers meet to help to shape our village's present and its future by commenting on planning applications, communicating with local organizations and officials and dealing with such matters as the management of the sports field, surface water management, mobile 'phone cover, roads and highways etc. There is a vacancy on the Parish Council at the moment, we need another councillor to help take our village forward. If you would like to find out more please give Christine Jones a call on 377062 or talk to one of the existing councillors. Christine is the Parish Clerk and she can tell you what is involved.

## **Moulton matters**

### ***Highways***

NYCC Highways has responded to requests for a more permanent repair on the corner adjacent to the Church. They wrote: "It is hoped that a more permanent repair can be made in the near future, however, it is a difficult location to work on which may well require a road closure and be discussed with all parties in advance". The potholes on Hall Road have once again been reported.

### ***Books in the Bus Shelter***

The sale of books, CDs, videos and folders in the bus shelter during March raised £26.77. Thanks to all who have supported the village and for the generous donation recently of a large quantity of books. Good quality fiction books are always welcome. Please leave them in the bus shelter.

All proceeds will go towards Moulton Village Association funds.

### ***Moulton Plant Sale***

As you will have seen from the front page of this issue, the Plant Sale will be held on Saturday 7 May at St Andrew's Church. If you have plants, garden paraphernalia, cakes or items for the tombola you would like to donate, please contact Chris and John - 377328, or bring them along on the day. All proceeds will contribute to Moulton Village Association funds

## **Village Shop evening opening coming soon!**

Good news! From 8 April we are starting a trial run at opening the shop on a Friday evening, 5pm to 7pm. The trial will last for two months and it depends on how well it goes as to whether it becomes permanent. So whatever you fancy, whether it be a ready meal to save you cooking, a bottle of wine to relax with, or just a bar of chocolate to finish the week with, we'll be there!

We know our current opening hours aren't always convenient for those of you who work, and we explained why we had to reduce our hours in the last Village News. But, hopefully, with this extra Friday night opening, we will be able to serve some of those people we're not able to now.

The Friday night opening will be manned by volunteers, or our two paid staff working voluntarily. But please note, as organising the daily newspapers to be returned to the supplier and cleaning and disinfecting the ham slicer both take time, freshly sliced ham and the daily newspapers will not be available. The Darlington & Stockton Times, as a weekly, will be on sale.

We are in the process of testing a range of ready meals, and, if these are of a good enough quality to sell at our shop, they will be available very soon. Look out for our special deals on these and a bottle of wine!

The success of this trial depends on how many people use the shop on a Friday evening (obviously), but also on whether we get any more volunteers to join our current small but very helpful group. We look forward to seeing you from 8 April on a Friday night!

### **The Middleton Tyas History Society**

The next meeting will be on Thursday 7 April at 7.30 in the Memorial Hall.

### **Church News**

Two days last week we had a wonderful team of people who came and gave the church its annual spring clean. After a lot of hard work we now have a beautiful church which looks so cared for in the spring sunshine.

Thank you all so much for your time and effort and our lovely church I am sure will be admired by all who go there. Many thanks.

Jean Nimmins.

### St Michael's Majors

The tea this month will be on Thursday 21 April at the Memorial Hall 3.00 – 5.00. The usual travel arrangements apply.

### Spring

*Nothing is so beautiful as spring –  
When weeds, in wheels, shoot long and lovely  
and lush;  
Thrush's eggs look little low heavens, and thrush  
Through the echoing timber does so rinse and  
wring the ear,  
It strikes like lightning to hear him sing;  
The glassy peartree leaves and blooms, they  
brush the descending blue; that blue is all in a  
rush  
With richness; the racing lambs too  
Have fair their fling.*

*What is all this juice and all this joy?  
A strain of the earth's sweet being in the  
beginning  
In Eden garden. Have, get, before it cloy,  
Before it cloud, Christ, Lord, and sour with  
sinning,  
Innocent mind and Mayday in girl and boy,  
Most, oh maid's child, thy choice  
And worthy the winning.*

Gerard Manley Hopkins
