Highlights of the summer

take them up on the offer and, if you are a music lover and you missed them this time round, do make a point of coming next time. You won't be disappointed!
Ed

The Royal Signals Northern Band.

A most entertaining afternoon was enjoyed at St. Michael and All Angels Church as the Royal Signals Northern Band played a wide selection of music.

A special thanks to Captain Tom Milford the Director of Music who travelled from Colchester to be with us. Also a thank you to everyone who helped with the catering on the day and to those who supported the afternoon making it a memorable occasion.

Your kind donations raised £228.31 for church funds.
Diana Donnison.

This really was a musical treat! Some very talented musicians playing everything from Purcell to the Blues. Because space is so tight the band played mainly in four groups: brass, woodwind, saxophones and a jazz combo so there was definitely something for everyone! Thrilling to hear the church full of music too. The band promised to come again if invited. Please

Open Garden

On August 5, Jo Collis opened her newly restored garden at Brassington House, Middleton Tyas in aid of Pancreatic Cancer Research UK

After a wet and grey start to the day, the sun finally came out at lunchtime and over 70 people were able to enjoy the garden at its best and afternoon tea of scones with jam and cream and endless cups of tea.

The event raised £625 for Pancreatic Cancer Research.

September already!

Where did the summer go? This time of year the weather could be anything: the glorious sunny days we have hoped for all summer or a warning shot of winter. However it works out, we've something right for the season

Our Friday night openings have been a great success. Many thanks to everyone who has supported them, not least Rhonda and Laura, who usually look after the shop on Friday evenings from 5.00 – 7.00. Not having to think too hard about what to eat on a Friday evening is obviously very welcome so here's even more ideas for quick and easy suppers.

New from Carrick's

Individual Fish Pie £3.25

Regular favourites plus new dishes on the frozen meals menu

Irish Stew`	£2.95
Dorset Sausage Bake	£2.53
Beef Stew and Parsley Dumpling	£3.49
Beef and Ale Pie	£3.83
Lancashire Hot Pot	£3.18
Potato-topped Bacon Pie	£3.12
Cauliflower Cheese	£2.53
Macaroni Cheese*	£2.53

*

Each dish is 400g. That's one generous helping, two small ones at a pinch. They can all be cooked from frozen except the Macaroni Cheese which will need de-frosting first.

While you're waiting for supper to cook, treat yourself to some **Granforno Bread Sticks**, £1.39 for 125g, or **Bruschetta with Garlic**, £1.55 for 150g. Less fattening than potato crisps too!

Still got the barbecue out?

Try Marinello's Sauces to make your steak something special.

- Honey Barbecue Sauce
- Diane Sauce
- Creamy Peppercorn Sauce

395g bottle for £3.25. They work equally well if you have given up on the barbie and moved on to cooking in the kitchen too!

Finally on the 'What's for Supper?' theme, here's a treat for gluten-intolerant eaters:

Carrick's Smoked Haddock and Mozzarella Fishcakes

are gluten-free and totally delicious!
£1.50 each

Fancy a beer with your supper?.....

.....Of course you do, especially if it's brewed in Yorkshire!

- Yorkshire Golden 4.2%
- Yorkshire Moors 4.6%
- Yorkshire Lager 4.2%

Each £2.10 for 500mls

More sweets in the mix!

Haribo Tangfastics Stixx	30p
Naoam Pin balls	30p
*Candy Sticks	40p

*Packets of 20 white tubular sweets about 6cms long. Used to be dipped in pink at one end to look as though it was burning and brown at the other to look like a filter tip? Remember Sweet Cigarettes? H'mmm! You must be as old as me.

News from the parish council

There was no parish council meeting in August. September's meeting will be on Thursday 8 September at 7.00. All residents are welcome to attend.

Defibrillator

There is great news about the defibrillator. We have raised enough money to purchase and install the machine, together with an emergency telephone and a dechoker outside the Memorial Hall. Delivery is imminent - there will be an official opening which will be followed by an awareness session for everyone who would like to know a little more about its function, and a more detailed session for our VETS. We are still searching for volunteers to become VETS, and anyone who is interested, should contact Josephine Collis on 339948 or on josephinecollis@gmail.com.

Moulton matters

Best Kept Village Competition

Congratulations to everyone in Moulton for all your efforts throughout the year leading to the village winning the Richmondshire Rotary Club Best Kept Village 2016. The prize of £400 was presented recently and will contribute to the Community Defibrillator Fund.

Community Defibrillator

Applications for funding have been made to the RDC Area Partnerships Fund and Locality Budgets at NYCC. The outcome of the latter will not be known until November whilst RDC will be making decisions in September. The Black Bull Inn has kindly agreed to host the equipment in an exterior location.

If you would like to make a contribution to the Defibrillator Fund, these can be made at 3

Smithson Close and cheques made payable to "Moulton Village Association" which will safeguard the monies until we are able to purchase the equipment.

Books in the Bus Shelter

The sale of books, CDs and videos in the bus shelter during the summer raised £61.64. Thanks to all who have supported the village. Good quality fiction books are always welcome. Please leave them in the bus shelter. All proceeds will go towards Moulton Village Association funds.

Church Cleaning

Thanks to all who have volunteered to clean St Andrew's.

October: Mr and Mrs Whitehead

Village Shop and Post Office makeover

The Post Office, Memorial Hall Committee, and Village Shop Committee have joined forces to give the combined post office and shop a makeover. The post office will be updated and streamlined and provided with up to date equipment, and a great deal of the old manuals and form holders will be discarded, removing clutter. Expert shop fitters approved by the Post Office will carry out the carpentry work and re-vamp of the cable systems.

The Post Office and Shop will have the current window removed and a new entrance door provided with access through the memorial garden. Full planning permission has been given for this work by Richmondshire District Council, and North Yorks Building Control Partnership. The entrance path will be flagged with the same stone that exists in the garden and will provide improved wheelchair access. The existing patio area, which is already part flagged, will have slabs to replace gravel. The lower level garden will remain untouched.

Once the works are completed, new and improved signage will be positioned near the new entrance that will offer greater visibility to passers by. Additionally, there will be tables outside on the patio area for customers to take coffee and sandwiches al fresco. These changes are aimed at upgrading the post office and shop to make it more attractive to customers and increase the turnover of both facilities.

Installation of the door will take one day, but the revamp of the post office could take a few days, during which time, unfortunately, it will have to remain closed. We will try to minimise the disruption to customers whilst the work proceeds. (Note that the shop sells stamps and can give cashback of up to £50 on debit cards after a minimum spend of £5)

Most, if not all, of the cost will be covered by grants, and, if there is a shortfall, it will be covered by the Friends of the Shop account. We also plan to run fund raisers later this year to keep the Friends account topped up.

Village Shop call for volunteers

The Village Shop has a fine bunch of volunteers who work closely with the managers, Liz and Helen, to cover the opening hours we currently offer. However, we need more volunteers to help spread the load more widely. If you can help we would be delighted to bring you on board. Till training will be provided, and new recruits would work alongside the managers/volunteers until they were happy to go solo. If you are interested in helping the community shop, please contact Liz or Helen, or any member of the committee.

The Management Committee for the shop is also looking for new members who can bring new ideas to running the shop and make it more attractive to customers. No experience necessary, just an open mind coupled with enthusiasm to support a community facility. If you would like to join the team, please contact any member of the committee which currently comprises Helen Foulds, Laura Angel, Ken Etherington, Victoria Bush, and Steve Hill.

Steve Hill

Thanks from the Village Shop

The Shop sends a big ta very much to the Friends of the Shop for buying us desperately needed new phones, to Jenny and Keith Ruston who spent a long Friday morning working out why they wouldn't work, and to Simon Robinson for supplying and fitting a new lid to our newspaper bin. Very grateful to you all!

Arts and Crafts Group

We meet again in the Memorial Hall for 10 weekly sessions, commencing Monday 12 September from 2.00 – 4.00. Whatever your hobby (painting, knitting, embroidery, etc.) you will be most welcome to join our friendly, informal group. The

cost for the term will be around £10 to cover rent and refreshments only. If you would like more information please ring Susan Mahaffy on 377600.

Transforming Our Communities

NHS Hambleton, Richmondshire and Whitby Clinical Commissioning Group (CCG) is inviting residents of Hambleton and Richmondshire to have their say on the transformation of local community health services.

Top of the list of items for discussion, in our area, is the future of the Rutson Ward in Northallerton. It is located within an acute hospital and is not an ideal environment for community rehabilitation. In addition to this, GP access to these beds has been limited due to increased pressures from acute services and post hyper-acute stroke rehabilitation. To find out more about the CCG's plans for an alternative solution go to www.hambletonrichmondshireandwhitbyccg.nhs.uk/transforming-our-communities.

Alternatively, the CCG is holding a number of consultation events throughout the community. Those nearest to us are as follows:

8 September 8.00 – 12.00 and 2.00 – 4.00

Northallerton Civic Centre, Stone Croiss
Northallerton DL6 2UU

19 September 9.00 – 11.00 The Friary Surgery,
Richmond

29 September, 5.00 – 7.00 Friarage Entrance,
Friarage Hospital, Northallerton

WHEELS 2 WORK SCHEME

Are you young, just starting out on a job or training course or further education and having problems getting there on time because of transport difficulties?

If so, there is a charitable scheme called WHEELS 2 WORK which may be able to help. It is set up to provide 50cc mopeds on loan to young people wanting to fulfil their potential but who are struggling because of limited public transport between home and their place of work or training.

There are posters around the village but you can also contact Andy Reddick, Wheels2Work Coordinator on 01609 761682 or 07764 151081

Worried about keeping warm this winter?

One-off grants to help with heating costs this winter may be available to families on low incomes. More than 20 energy companies offer the Warm Home Discount scheme, which gives eligible customers a one-off grant towards their electricity bill or prepayment meter during the winter.

Schemes are set to open from around August time, and the payment is expected to remain the same as previous years at £140.

Families on low incomes or welfare are encouraged to get ahead of the queue and register their interest now with the support of the Warm and Well in North Yorkshire project, which seeks to raise awareness of cold homes.

Although criteria for the grant vary according to the energy supplier, generally customers qualify automatically if they are in receipt of the Guarantee element of Pension Credit.

You may also be eligible if you receive certain means-tested benefits or have an annual income of less than £16,000 and there is a child under-5, someone with a disability, or someone elderly living at the property.

Kate Urwin, the Yorkshire Energy Doctor, who is working with Warm and Well, said "The £140 payment can go a long way to easing financial pressure on families during the winter, and is set up in such a way that it reaches those who need it the most. Customers can either apply online via their electricity supplier or call them up. It is a good idea to get in quickly as some schemes are first come first served and close when they have reached their maximum number of applicants."

If you would like support with the Warm Home Discount application as well as with wider energy matters such as debt or switching, you can contact Kate directly. She can be reached on 07738 818391 or 01757 249100.

If you would like to talk to Warm and Well in North Yorkshire for a wider variety of support around being cold at home please visit www.first4contact.org or call 01904 704177.

North Yorkshire Police

A very good morning from the Force Control Room. We are currently working with a charity

called asbhelp.co.uk to assist and advise victims of Anti Social Behaviour. **Asbhelp.co.uk** aims to signpost victims to where you can get help and also to gather information on victims' experiences and to lobby for change. If you are suffering then please take this opportunity to have a look at their website. www.asbhelp.co.uk. They are also on Twitter @asbhelp and Facebook. It is a fantastic and worthwhile charity that are there for you, as are we.

If you need the police call 999 for emergencies and 111 for everything else.

A few thoughts from Charlie, the Rectory lurcher

September is always a month full of change: our youngsters return to school to face new beginnings; we go back to work realising that with the approach of autumn, the days will grow shorter and the year is winding down. So..... as we embrace all these things, a few 'wise sayings' I've picked up

- *Don't be irreplaceable. If you can't be replaced, you can't be promoted.*
- *If it wasn't for the last minute nothing would get done.*
- *When you don't now what to do, walk fast and look worried.*
- *When confronted by a difficult problem, you can solve it more easily by reducing it to the question, "How would the Lone Ranger handle this?"*
- *If at first you don't succeed... skydiving isn't for you.*

- *Do not meddle in the affairs of dragons, because you are crunchy and taste good with ketchup*

And finally

- *Nothing is going to happen to you today that God and you together can't handle*

With love
Charlie

Middleton Tyas and Moulton Christmas Market

We know there are any number of talented people out there producing all sorts of things from muffins to meat pies, Christmas baubles to Christmas trees, cakes to candlesticks. And all sorts of services too from the total works in beauty care to foot massages for frazzled Christmas shoppers. If you are one of these makers or doers, we'd like to give your Christmas plans a boost.

For three months, starting with the October issue of the Village News, you can take a stall in the

Middleton Tyas and Moulton Christmas Market page of the Village News. For just £10 your advertisement will appear in all three issues and on the Middleton Tyas website.

A stall is a column width and about 4cms deep, looking something like this:

HAPPY FEET

Enjoy a soothing warm wax foot massage with a glass of bubbles in your own home

£15

Special rates for groups of three or more

Lizzy Jones 377000

Or visit my website at www/happyfeet.com

It's just enough to say who you are, what you are offering and your contact details. (There's nothing to stop you taking a full page ad in full colour as well, of course. We'll be happy to take your money!)

If you're new to the market and are worried about being overwhelmed with Christmas orders, why not offer gift vouchers redeemable in 2017? What could be a lovelier Christmas present, for instance, than a voucher for an arrangement of spring flowers that you can redeem in March or a celebration cake for an occasion of your choosing sometime in 2017?

If you'd like to book a stall for the October issue or would like to talk about the idea, ring me on 377311 or email your copy to dianahthomas@gmail.com by 20 September
