MIDDLETON TYAS VILLAGE SHOP NEWS

Tel: 377198 Open Monday to Friday 8.00 – 2.00, Fridays also 5.00 – 7.00, Saturday 8.30 – 1.00

Walkers and cyclists are already using the garden as a welcome pit stop. It's a great place to meet friends or just enjoy a quiet half hour with a cup of coffee and the newspaper.

A note for shareholders: To save on costs, I would be grateful if any shareholder who does not currently receive things by email could let me know if they would like a printed copy of the AGM minutes. Please either ask for a copy when you are next in the shop, or ring me at the shop (377198) or at home (377434) and I will get a copy to you. Thanks.

News from the parish council

Handyman

The Parish Council is currently recruiting a Handyman for the Village. Those of you with eagle-eyes will have seen this on our Facebook page and on our website, but if not, please go to http://www.middletontyas.org.uk/.../News_and_Events_24467.aspx where you will find more details.

Surface Water Management

Work continues behind the scenes to address surface water management issues. At Scotch Corner progress has been slowed by the NYCC requirement for three trial trenches to be dug to see if there is likely to be anything of archaeological interest to be found-let's hope not. The design work and revised calculations for the Slough diversion have been completed and, subject to NYCC consent, work could start before the end of March. Finally, the draft drainage report for the wider catchment above Kneeton Lane has been completed for Landteam and the final report is expected to be available shortly.

Play Park

Work continues on the Play Park. The fence is now in a good state with the signs relocated and the trim trail completed. The new waste bin and bench will be ordered this month. Until the weather improves it will be difficult to create a better, safe surface. Another inspection has now been requested and we are hopeful that a positive outcome will be reached before too much longer.

Plant Sale 2017

Calling all gardeners, shrub and flower growers, bakers and produce makers!!

The Plant Sale will be held on Saturday 6 May.

We welcome donations of plants of all sorts, both outdoor and indoor. Why not clear out the potting shed? Let us have your redundant tools, the pots you no longer need and any other garden paraphernalia clogging up the man (or woman) cave!

Donations of cakes and other produce will be welcome on the day. Our legendary bacon and/or sausage butties will be available and why not have a go on our fabulous tombola!

Thank you for your support and we look forward to welcoming you to Moulton.

Community Defibrillator

A familiarisation session was held at the Black Bull Inn recently led by the Yorkshire Ambulance Service and attended by a good number of Moulton residents. Information was given regarding what to do in an emergency and in use of the defibrillator. The message from YAS was that we should not delay in calling 999 if an emergency arises and that instruction will be given by the operator in use of the defibrillator which is located at the entrance to the Black Bull car park. The defibrillator itself also gives instructions in its use. Thanks once again to all who have made this important project possible. The Best Kept Village 2016 plaque has been fixed to the defibrillator casing.

Books in the Bus Shelter

The sale of books, DVDs and CDs in the bus shelter during February and March raised £25.81. Thanks to all who have supported the village.

Good quality fiction books are always welcome. Please leave them in the bus shelter rather than trying to squeeze them into the boxes if they are full. Thanks.

All proceeds will go towards Moulton Village Association funds.

Highways Maintenance

A further request has been made to NYCC to refurbish the rumble strips on access roads into

Moulton and these will be renewed soon. The drains around the village have been cleaned.

The new sign for the plinth on the Cowtons road should be delivered soon and will be funded by the MVA.

Village Communications

If any resident would like to receive updates from NYCC, RDC, A112b and other organisations, please contact John Gentry at Garth Cottage and you will be added to the "Bcc" list. If anyone already receiving these communications changes their email address or no longer wishes to receive them, please let John know.

Church Cleaning:

Thanks to all who have volunteered to clean St Andrew's.

Dodgy dealing in fish?

North Yorkshire Trading Standards has noticed an increase in the number of reports of fish sellers cold calling residents in North Yorkshire, pressurising them into buying large quantities of fish they do not want or need.

Please do not purchase from traders who cold call at your door. If you are visited by such sellers and feel harassed or intimidated please contact the police on 101

Comic relief

Everyone who donated to the Bob Marley definitely look-alike outside the shop on Friday 24 March will be delighted to hear that £205 was raised and promptly banked with Dorothy for Comic Relief. Many thanks to everybody who supported the fun.

Community First Responders – *-they save lives, you could too*

The Community First Responder (CFR) Scheme is a partnership between Yorkshire Ambulance Service (YAS) and local groups of volunteers living within the community. As organized volunteers for the ambulance service we work as part of a dedicated team whose aim is to reduce the number of pre-hospital deaths in Yorkshire.

In many medical emergencies, the first few minutes are critical and, if effective treatment can be provided within that time, lives can be saved. We are trained by YAS in basic life support skills: Cardio Pulmonary Resuscitation (CPR), the use of Automated External Defibrillators (AED) and administration of oxygen.

You need to be at least 16 years old, have a clean driving licence and access to a car when on duty. Full training is given by YAS and uniform and equipment is provided. We expect a commitment of about four hours a week but the actual time volunteers are 'on call' is decided by them. If you feel that this worthwhile and interesting volunteering could be for you and you would like to help your community, contact Tony Smailes, the local co-ordinator, for further details on 01325 339856 or tsmailes728@gmail.com

Reducing local NHS medicines waste

NHS Hambleton, Richmondshire and Whitby Clinical Commissioning group (the CCG) is running a campaign called 'Help save NHS Resources', encouraging patients to think about the cost to the **LOCAL** NHS when prescription medicines are wasted or ordered without looking at alternatives.

Wasted medicines cost our LOCAL NHS nearly £1 million a year – this could pay for one of the following:

- 1058 days of care in an Intensive Treatment Unit for critically ill patients
- 5389 outpatient appointments with a consultant
- 1764 days of treatment in a Special Baby Care Unit for seriously ill babies
- 20,000 GP appointments
- 99,700 blood tests
- 20 community nurses
- 16,363 hearing tests

Shine Nails goes beyond the normal manicure. Not only does Kate use CND's Shellac, a premium colour that goes on like polish but is as resistant as a gel product and can give you up to 2 weeks of beautiful colour, but she will also file and shape your nails, tidy the cuticles, cleanse and wash your nails and finish your treatment with a hand massage and moisturise. With each appointment being 2 hours you know you'll be pampered, receive a quality, unhurried service and ongoing advice from a fully Qualified and Insured Nail Technician.

Flexible appointments at my relaxing home salon in Middleton Tyas are available for both a manicure and pedicure treatments.

Please call for more information.

...relax and enjoy the experience, not just the results...

Also, it costs the NHS four times more to provide paracetamol on prescription than it does to buy them in a local pharmacy or supermarket which can also supply advice and medication to manage minor ailments such as cold sores, headaches, infant colic and eczema.

Janet Probert, Chief Officer of the CCG said: 'The NHS is facing serious financial challenges – this will come as no surprise to our residents so we are urging everyone to look at things a little differently.

When next ordering repeat prescriptions, please check what supplies you already have. It may not be necessary to order all your medicines every time, especially those which are not taken every day.

We fully appreciate that some of our patients still need to order medications on prescription so we are raising awareness to those patients with less serious conditions who may be able to visit a pharmacist, go to their local supermarket or even look in their medicine cabinet to see what they already have.'

Thoughts from Charlie, the Rectory Saluki

Easter means one thing to a Saluki with a snout for sniffing..... Bunnies! For Samson the greyhound, it means sunbathing and dreaming of running. For Dodger the Jack, it means holidays and cuddles with his favourite person, Eve. And for Bach? Well no-one is really very sure as to what anything means to him, least of all Bach, but it usually involves chaos.

It is with chaos in mind and confusion over what, in the Christian calendar, is the greatest feast, that I found the following poem. It involves bunnies which cheered me up, and involves the Christian hope, which cheered the biscuit-buyer up. So with love from all in the Rectory at this Eastertide, we hope it cheers you too.

Easter Time (By William F. Heffner)

Easter time is here again
And bunnies everywhere,
Don't salute, a substitute,
There is no holy hare.

So coloured eggs and jelly beans,
Don't mean a bunny thing,'
Cause bunnies do, what bunnies do
And have no gifts to bring.

So Easter Time's, the time to know,
A lie could not survive
And here's the proof in gospel truth;
JESUS IS ALIVE!!

Church Flowers

We will be decorating the church for Easter at 10.00 on Saturday 15 April. Please bring any flowers and greenery you can spare to help make the church look beautiful for the Easter Festival.

Thanks.
