## Calling All Pets

On Sunday July 1<sup>st</sup> at 9.30 am there will be a service just for us at St. Michael's Church.

Get your owners up early, and bring them along with a chair or a rug, and we'll show everyone how special we are.

We'll meet outside, but if the weather is ruff ( sorry) we'll meet in church.....  
That could be interesting!

## Moulton Matters June 2018

### Moulton Plant Sale

The Plant Sale held on 12th May was well attended and we are grateful for all the donations of plants, cakes and garden paraphernalia....and the sunny weather. Thanks to all who came along, those who delivered flyers, helped before the day, on the day and to pack up afterwards. We raised the wonderful sum of £1203.62 at the Plant sale with more coming from sales in the bus shelter. This year the proceeds will be divided equally between Moulton Village Association for village events and maintenance of the Diamond Jubilee Garden and St Andrew's Church.

### Facebook

You can follow us on Facebook at "Moulton Village Community" and see pictures of our fabulous Plant Sale.

### Books in the Bus Shelter

The sale of books and CDs the bus shelter during April raised £44.86. Thanks to all who have supported the village.

We have new stock recently, so do call in. Good quality fiction books are always welcome. Please leave them in the bus shelter.

All proceeds will go towards Moulton Village Association funds.

### Best Kept Village Competition

The competition will be judged during the first two weeks of July. Everyone in the village makes a terrific effort to keep verges, beds and baskets in tip top condition. Good luck in keeping them in good shape.

The barrels around the village will be re-stocked with geraniums and "trios" of bedding plants together with the window boxes at the bus shelter and the troughs at the village entrances. These are all funded by the Moulton Village Association. The bus shelter, benches and notice boards will be spruced up together with the paper box and telephone box.

Litter pickers may be collected from the Chairman.

### Local Access Road

At a recent Parish Meeting we were advised by our County Councillor, Angus Thompson, that whilst signage for the LAR is being re-jigged, we will be unable to have any influence over the size and speed of vehicles using the road without providing evidence. The Chairman of the Parish Meeting has written to residents seeking volunteers prepared to participate in a survey of traffic over a period of several days. If you have not already volunteered and are prepared to get involved, please contact John Gentry.

### Church Cleaning:

Thanks to all who have volunteered to clean St Andrew's.

**Warmth,** sunshine – yay. We can only hope that this isn't summer come early. Magnums, Soleros and Brymor ice cream in the freezer for when the heat gets to you!

**There** once was a person from Tyas  
Who thought as he lay on some grass  
Eee the shop needs a Chair  
So my time I will share  
Else the village they'll begin to harass

Well, we live in hope anyway ... still need a Chairperson to head up our community shop Committee! If you're not sure, why not come along and attend our next meeting to see what goes on, or, if you don't fancy being Chair, why not join the Committee instead and help out there? We need people!

**Thank** you to all the Football Prediction players for the season 17/18 and congrats to all the winners. It raised £89.50 for the shop and the highest prize this time was £44.25. It's really easy – I give you four matches plus a tie-breaker match and all you have to do is predict which teams will win, draw or lose. You don't even have to know anything about football – I don't, and I've won a few times. And it's much better odds than the lottery ... costs a £1 to enter and is back in August.

**The** highland cow picture moved to its new home in May after I put it up for raffle, so thanks to everyone who bought a ticket. We've now brought the price right down on keyrings produced by the same artist. After a Canadian lady with the surname of Tyas bought out most of the remaining stock of Middleton Tyas aprons and bags, I'm in a position where I can order some more – so the postcards and cards will be back soon. I've also asked Mark Denton, he who produces the beautiful Yorkshire cards, to restock us with the church ones.

**The** shop has always relied on donations to keep it near to or in the black, and sadly we've lost a few of our regular donators recently. If you'd like to support the shop, a monthly donation of even just £5 goes a long way. Ask in the shop for a slip that gives you our bank details so you can set up a direct debit. Please!

## **NEWS FROM THE PARISH COUNCIL**

### **New Chairman for the Parish Council**

We are pleased to announce that, with effect from 10<sup>th</sup> May 2018, our new Chair of the Parish Council is Gordon Davies, who has been a Parish Councillor for some time. The outgoing Chair, Bob Davies, has agreed to be our Vice Chair to support Gordon through the first year of his tenure.

Members of the Parish Council would like to thank Bob for his valuable leadership and guidance as Chair over the last two years.

### **Village Handyman**

Colin Watts, our current Village Handyman, has resigned from this post. We would like to thank Colin for all his hard work on behalf of all residents including those of us on the Parish Council. The Village is a nicer place in which to live due to his efforts.

Accordingly, that means that we have a vacancy for a new Village Handyman - further details in this issue of the Village News, on Facebook where we are 'Middleton Tyas Community' or please telephone our Parish Clerk, Mrs Christine Jones on 01325 377062 for further information.

### **Best Kept Village Competition 2018**

As usual, we have entered the village into the 'Best Kept Village Competition' organised by Richmondshire Rotary Clubs. The judges will be touring the village during the first two weeks of July to see how we measure up against the other competitors. Marks are awarded for the general tidiness of the village, appearance of open spaces (such as the village Green), public buildings, pubs, car parks areas, etc. We understand that judges like to see flower displays such as hanging baskets and planters, as well as anything else which makes the village looks attractive and well maintained. If you can tidy up the area outside your own property by the end of June, that would be very much appreciated.

## **Development behind Kneeton Park**

On Tuesday an Information Event on the above was held at the Memorial Hall for Residents. The Developer and Architect involved responded to the Parish Council's request for such a session. Many people attended and their comments were collated for further discussion. Cllr Mrs Samantha Perks, our Parish Councillor whose portfolio is Planning, has reported back to the PC that there are additional issues that we would welcome the opportunity to discuss with the RDC before final permission is given. These include the overall appearance of the development; the materials used; the apparent lack of parking; the ratio of smaller to larger dwellings; the possibility of a maintenance charge for owners of the properties; field access to the west for future potential development and the fact that there remains only one entry and exit along with other issues. A detailed letter from the Parish Council will be delivered to RDC and Angus Thompson, our District & County Councillor, who will be taking all of this forward by way of requesting a meeting with them in advance of planning permission being granted. More information will be provided as and when we have it.

## **Meetings with NYCC and A12LB about our Village**

A meeting was held to try to sort the unacceptable appearance of our Village as we come to the end of the A1 development. The signage requires more work in order to stop HGVs attempting to use the Village as a through road and there are issues with the appearance in general following years of upheaval.

## **Trees, hedges and shrubs overhanging the pavement**

May we remind you that you should not let the trees, hedges and shrubs in your garden overhang the public footpath? If residents report to the PC that overhanging greenery is hindering use of the footpath, the PC will report this to NYCC who, in turn, will come along and cut back the offending branches ..... but will then send you an invoice for the work. You may wish to check your own boundary and get out the loppers and pruners before this happens! Thank you.

## **Next Meeting**

The next meeting of the Parish Council is 14th June in the Memorial Hall at 19.10. All residents of the Village are welcome to join us.

## **Ore-some Copper Belles WI**

This month we enjoyed an interesting and very informative talk on Genealogy; the study of family history. Our host, Lynne Pritchard, shared her wealth of experience by providing us with tips and advice on how to research our own families to explore more about their lineage and plot our personal family trees. She gave us an insight into the many online and offline resources that can be used to access material and we were entertained with stories discovered about her family characters when researching her own family.

Ore-some Copper Belles also voted on the WI Resolution, Mental health matters. The resolution states, "Mental health matters as much as physical health. The NFWI urges all WI members to recognise the importance of parity between mental health and physical health, and take action to make it as acceptable to talk about mental health issues as much as physical health issues, and to lobby government for better support for mental illness." Ore-some Copper Belles voted unanimously for the resolution and we shall take our vote to the National WI Annual Meeting in June.

Next meeting is on Tuesday 12<sup>th</sup> June at 7:15 pm in the Middleton Tyas Memorial Hall.

Come along for an evening of pampering courtesy of Temple Spa Beauty and Aromotherapy.

New members are always welcome. Follow us on Facebook at Ore-some Copper Belles WI.

## **St Michael's Majors.**

Our tea this month will be on Thursday the 21st. All usual arrangements apply. If anyone knows anybody who might be interested in joining this monthly get together please get in touch with any of the following. Sara Vaux 377228, Jean Nimmins 377868, Liz Croft 377867, Pauline Aitkin 377137 or Leslie Waiteman 377041. We would love to welcome anyone who is interested.

## **Finklepickers**

The Village Hall hosted a 60's Night on the 12<sup>th</sup> May with Richmond 60's Revivalists, The Finklepickers, playing to a largely packed audience. The Five Piece Band played tunes from the Kinks, Buddy Holly, Rolling Stones and many, many others. The Band were loudly cheered at the end of their performance and the audience made it known that they wanted The Finklepickers to return later in the Year. We eagerly await more news....

## OUR ESTATE IS GROWING...

This Spring we're really pleased to announce that we've completed the restoration of the Kitchen Garden and Fig House, the gardens are now open for restaurant and hotel guests to explore. These have been designed by Chelsea award winning garden designer Tom Stuart-Smith and create a stunning backdrop for events in the Fig House, as well as providing produce for the estate. In July we'll be hosting a dinner with Tom in the Fig House, we'd love to see you there to hear about his design in person.

We're also getting really excited about our food this year. On Friday 25th May, we're launching a new menu at the Coach House. Expect Mediterranean influenced Yorkshire food using produce from the Kitchen Garden. Our new menu takes a laid back approach, with something for everyone and we hope you'll enjoy popping in for everything from a coffee and a slice of cake, to a catch up with friends over lunch or a big family get together at the weekend.

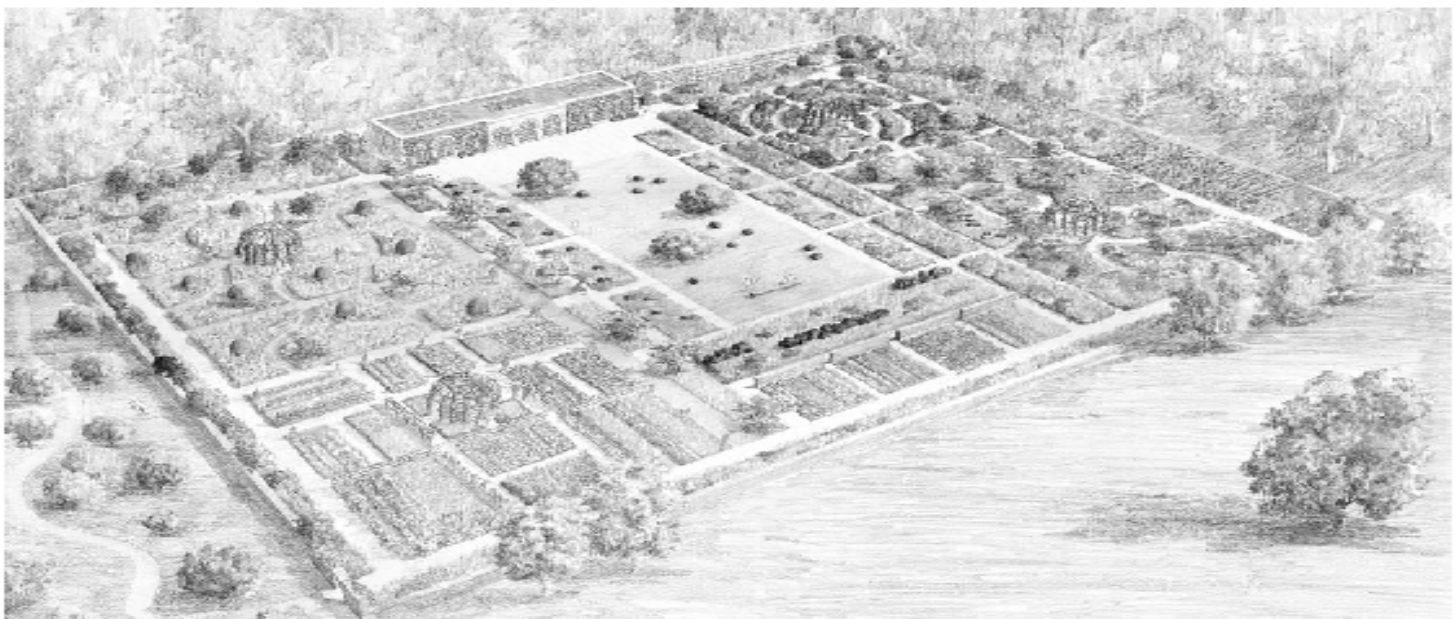

The exceptional food style currently served at the Coach House won't be leaving the estate for long. We're working on some exciting new plans with our Head Chef, Gareth Rayner to relocate both him and his 3 AA rosettes to another part of the estate later this year, so watch this space...

As a big thank you to all of our local customers and to introduce our new menu we're offering two mid-week main courses for the price of one in June\*

One last thing, whilst we love seeing your dogs in the Coach House courtyard, we are now foraging and growing more produce on the estate than ever so please remember that customers dogs are only permitted in a select few areas of the estate. If you have any questions where they are allowed, please ask a member of staff. The Kitchen Garden is understandably a dog free zone. Please do also remember to keep your dogs on a lead and clear up any mess afterwards.

\* Applies to lunch and dinner, Monday – Thursday excluding our steak menu. Please quote village news as your reference to claim this offer

**BARK IN THE PARK**

We are planning a fundraising event in support of the Middleton Tyas Play Park on Saturday 14th July called "Bark in the Park". This will be held on the Village Playing Field and will run from 12 noon to 4.00 pm

There will also be various stallholders selling their wares, BBQ and fun dog competitions with prizes.

The aim is for a family fun community event and to generate funds for new play equipment in the Play Park.

There will be lots more information in the July Village News, but, in the meantime, lock the date in your diary. You don't have to be a dog owner to join in the fun.

If you would like to help with the event or would like to have a stall, please give Leanne Harknett a call on 01325 377321
