Middleton Tyas Safari Supper 20th October 2018.

I am hoping to organise a Safari Supper in Middleton Tyas on Saturday 20th October. A Safari Supper is an evening where you cook one course of a meal for other residents of the village (maximum of 8 people including you). We would have pre-dinner drinks, Starter, Main, pudding then all get together in the Memorial Hall for cheese and biscuits. I will do all of the sorting of who goes where (we can be very flexible about this) If you live on the outskirts of the village you would do Pre-dinner drinks so people would not need to drive later in the evening. If you are interested please give me a call. If you have any concerns about it it is for you give me a call.

The tea this month will be as usual on the third Thursday the 20th, usual travel arrangements apply. If anyone would like to join us they would be very welcome. Please ring me, Sara Vaux on 377228, for more details.

Moulton Matters

Books in the Bus Shelter

The sale of books, DVDs and CDs the bus shelter during June raised £73.35 - our best month since starting Books in the Bus Shelter in the summer of 2009. In July we raised £59.00. Thanks to all who have supported the village. The books are now all on shelves, thanks Glyn. All books, DVDs and CDs are priced at 50p.

Good quality fiction books are always welcome. Please leave them on the benches in the bus shelter. All proceeds will go towards Moulton Village Association funds.

Best Kept Village Competition

Moulton came a close second to West Burton.

Well done to everyone in Moulton who worked hard to keep our village looking smart, despite the heat and shortage of rain.

Parish Meetings

The Parish Meeting has been successful in obtaining a grant from NYCC Locality Budgets to purchase a projector for viewing planning applications. Thanks to Cllr Angus Thompson for his support.

Remembrance 2018

The Moulton Village Association together with St Andrew's Church, is planning a special commemoration on 11 November at 6.00 pm. Our two soldiers remembered on the war memorial will be recognised and we plan a small exhibition of WW1 memorabilia during the week before Remembrance Sunday. If you have any items that you are prepared to loan to the village for the exhibition, please contact Sara Vaux (377228). Following the service a Parish Supper will be provided – we'll be asking folks to let us know if you will be attending to aid catering arrangements – watch out in the October Village News for details. Donations will be invited for Phoenix House, Catterick Garrison – Help for Heroes.

Local Access Road

A survey of traffic using the local access road took place in the week commencing 9 July. Following concerns by residents, we were particularly monitoring HGVs and low loaders using the road, despite it being signed at Scotch Corner, "unsuitable for heavy vehicles". A relatively small number of these vehicles were noted and of equal concern was the speed of all vehicles, including tractors and trailers. Our Rural Beat Manager, PC Mark Wood, attended a Parish Meeting on 16 August to discuss speeding.

Church Cleaning:

Thanks to all who have volunteered to clean St Andrew's.

This month, we are drawing to your attention just one item in the Village News. The minutes of the meeting will be posted for all residents very shortly on our newly-refurbished website. Take a look on www.middletontyas.org.uk

It will not have escaped any resident's attention that many of the 20mph painted speed restriction signs on the road around our Village have become faded or simply worn with time and wear. Perhaps because of this invisibility, the speed with which drivers travel through our Village appears to be on the increase.

The fact is that, despite our close proximity to the A1, this is a rural Village with a thriving local primary school and residents of all ages. People are of utmost importance. Another fact - slowing down in the last 100m before a school does not help children to walk or cycle the entire route to school or prevent many casualties. 80% of child casualties are on non-school trips. The 20mph speed limit emphasises quality of life - where day-to-day living - walking, cycling, talking and play - take precedence over traffic movements. It makes for a greener, quieter environment for all of us.

Adherence to the 20mph speed limit means that there is less risk of serious injury (20% fewer casualties), particularly in children and the elderly. It means that we will be reinforcing healthier lifestyles by encouraging walking and cycling. A safe village will promote the renewal of community life, where sociability and the positive atmosphere we all want makes our Village more attractive, aids business and reinforces property values.

Statistics show that you are 7 times less likely to die if hit at 20mph than 30mph - 10 times less likely if you are over 60 years of age. In the distance a 20mph car can stop, a 30mph car will still be doing 24mph. It has to be better to just miss than actually hit someone.

By community engagement to voluntarily comply with the 20mph speed limit, our cars naturally act as pacer vehicles for for visitors and others road users. The Parish Council are in the process of organising a Speed Awareness Team who will be operating in the Village in due course. We do hope that we can rely on residents of this cherished Village to help us to keep our Village safe.

Art & Crafts Group

Our thanks to you for supporting our fund raiser for Marie Curie in June. £310 was sent off to be used locally. Our many knitted/crocheted items on display there were then sent to 'Knit for Peace'. More recently 15 children's dresses made from pillowcases have gone to 'Little Dresses for Africa'. Our grateful thanks to those who donated pillowcases (used but in decent condition) to us. More would be welcome as spare elastic, 1 Inch wide bias binding and any spare wool in any colour. Many Thanks – Susan (Tel 377600)

The Battle's Over November 11 2018

There is to be a national commemoration to mark the end of the Great War. Manfield is taking part by joining over 1200 cities, towns and villages and holding a brazier bonfire on the village playing field.

The field will be open to visitors from 18.00 and the event will begin at approximately 18.40, Names of those who gave their lives and those who served will be read out by Colonel Jeremy Dodd and Major(Retd) John Tong. A two minute silence will be observed followed by the sounding of the Last Post and Reveille by Mr Nicholas Wilson. The fire will be lit by Councillor Shirley Dodd, whose great uncle, Private Thomas Gowton, 4th Battalion Yorkshire Regiment, was killed at Armentieres 6th October 1915 and by Councillor Malcolm Hird whose family served in various theatres of war.

The Village Hall will be re-open again from 19.05 - 21.00 serving refreshments. There is no entrance fee. However, a collection and all monies raised will be donated to a Military Charity.

Please support the memory of those who gave their lives and to those who served their country. They are commemorated in Manfield Church and for those service personnel are now suffering from injuries – physical and mental – sustained in recent actions: the Falklands Northern Ireland, Kosovo, Sierra Leone, Iraq, Afghanistan and elsewhere.

Ore-some Copper Belles WI

Well done to all our brave members who participated in July's belly dancing evening. It was such a fun evening, full of laughter. People often think of belly dancing as semi naked ladies and provocative dancing. It is often misjudged. Belly dancing is a very expressive form of dancing that involves complex movements of the muscles within the torso and requires a lot of skill. It is also known as the 'Arabic dance,' originating in Egypt and has huge cultural significance across the middle east.

Sam Smyth, a very talented belly dancer, joined us to explain the different styles of belly dancing according to country and region. I didn't realise it was so varied in music, costume and movement. Learning about the cultural aspects surrounding belly dancing was also very interesting. Sam showed us some of her beautiful costumes and demonstrated her amazing moves making it look so easy. Then it was our turn. Well, for my rigid torso, it definitely was not easy. My moves were more resembling of the 'floss' than belly dancing. How did Sam manage to move her upper torso separately from her bottom torso whilst keeping her hips still, not to mention move individual stomach muscles one at a time? A good core and lots and lots of practise is the answer.

Thanks to Sam for sharing her amazing talent and knowledge with us and thank you to our lovely members who were up for a giggle and embraced the experience. Dancing is certainly not my forte, but I thoroughly enjoyed myself. Belly dancing is a great workout and a fun way to express yourself.

Ore-some Copper Belles WI have also been busy running the Village Fete tent at the Bark in the Park and Middleton Tyas Village Fete event. A big thank you to everyone who helped out prior to and on the day.

Next meeting is on Tuesday 14th August at 7:15 pm in the Middleton Tyas Memorial Hall. Living with colour – Embrace a rainbow. Have you ever wondered why some rooms in your home feel uncomfortable but not necessarily in a physical way? And how many times have you planned to wear a particular outfit or colour, but it just doesn't 'feel right' when you put it on? The colours that surround you and what you wear impact on your mood (emotionally and mentally) and physical well-being. Come along and listen to our very own Jayne Archer to find out how you can help yourself with colour.

Even though we've been up and running for some time now, it's never too late to join. New members are always welcome. You can even 'try before you buy' at £5 a session.
