### Moulton Matters

#### Best Kept Village Competition 2019

A letter of thanks has been received from Bellerby Parish Council following our donation of £300 from the Best Kept Village prize. The letter has been circulated to residents and will be on the noticeboard soon once renovations are complete.

#### Books in the Moulton Book Stop

The sale of books, produce, DVDs and CDs in the bus shelter during September raised £100.15, thank you to all our supporters. All books, DVDs and CDs are priced at 50p.

Good quality fiction books are always welcome. Please leave them on the benches in the bus shelter.

All proceeds will go towards Moulton Village Association funds.

#### Community Speed Watch

A North Yorkshire Police Community Speedwatch Volunteer recently visited Moulton and identified a number of locations that will be used to carry out the speedwatch activities. Initially, this will be on Scurragh House Lane and then move to other locations in the village. Training will take place once NYCC Police resources are available. Please contact John Gentry if you wish to join the scheme.

#### Remembrance Day – 10 November

A Communion service will be held at 4.00 pm on Sunday 10 November – Remembrance Day. This service is instead of the usual 6.00 pm service on the second Sunday of the month.

#### Moulton Pop Up Choir

The choir has been asked to perform once again at the Black Bull – this year on Monday 23 December. If you would like to join for some fun and have not already made contact, please send an email to John Gentry. Practices will take place on Tuesday evenings commencing on 26 November at 7pm.

#### Church Cleaning:

Thanks to all who have volunteered to clean St Andrew's.

November: Mr & Mrs Stephens  
December: Mrs S Jones

# PARISH COUNCIL

## COMMUNITY SPEED WATCH (CSW)

For those volunteers who have already signed up, we now have a date, venue and Trainer for the CSW training in Middleton Tyas. The first training session, to which you are invited, is being held on **Thursday, 14th November in the Memorial Hall starting at 10.00am**. After an initial session in the Hall, we will move onto Middleton Tyas Lane for practical training and experience.

**Please let me know as soon as possible, if you can attend.** We will need a minimum of 5 to successfully launch the programme. If you have not already signed up for the Scheme but would like to volunteer, please come along to the Memorial Hall at 10.00am, where you will be very welcome.

Councillor Gordon Davies Tel: 01325 377450 cllr.gdavies@gmail.com

## NEW PARISH COUNCILLORS

At its meeting on 10<sup>th</sup> October, the Parish Council welcomed two new Councillors to the team. They are:

Cllr David Henderson clldhenderson100@gmail.com

Cllr Clare Lamb cllrclamb@btinternet.com Tel: 377168

Contact details for all the Parish Councillors are on village notice boards and on the village website at [www.middletontyas.org.uk](http://www.middletontyas.org.uk) / The Council / Your Councillors.

## PLAY PARK REFURBISHMENT PROPOSAL

There will be an open, walk-in event in the **Memorial Hall** from **3.00pm to 7.00pm** on **Wednesday, 13<sup>th</sup> November**.

There will be full colour displays of the Parish Council Project Team's proposals for the updating and renewal of the Play Park and Sports Field. The Parish Council would value your feedback on the proposals to ensure the views of villagers, parents and children, are all taken into account when the bid for funding is finalised.

**PLEASE COME ALONG** and share your thoughts over a cup of tea or coffee.

## OVERHANGING HEDGES AND TREES

Can we remind all residents to be mindful of any overgrowth from their gardens that spill over onto the public footpaths around the village. There are a few areas in the village where this is happening and in causing an obstruction you are endangering anyone who is using the paths. It is the homeowner's responsibility to ensure that they cutback and maintain the plants, hedges and trees that causing any problems. Please be aware that if the local authority come out to remove any overgrowth that they may well charge you for doing this.

Can I remind you that there are many more children in our village now who use these paths and who may not always be as careful as the adults. It is important for us to keep the paths clear for safety.

## It's Goodbye from me, and Goodbye from Them.

Dear all,

A final note of thanks and love from the most important Rectory canine. The biscuit-buyer has disappeared into a packing case and there's a worrying yap coming from a cupboard somewhere - one of the Jack Russells is stuck - which means we might have a quiet night after all.

Jenni wanted me to say thank you for the support, love and friendships which have grown over the past 5 years - we have all been truly blessed to journey alongside the communities in the East Dere Street Benefice. I personally, would like to say thank you for all the dog biscuits and occasional Harvest Festival sausage roll proffered by a toddler.

The pack has tried to keep the squirrel population at bay. I think we have also managed to keep the odd bishop at bay as well - it's rather unconventional and disturbing to have a Rectory that produces a symphony of howls and so apologies if you have been down wind during one of our 'singing' competitions

We move on to the Benefice of the Lower Swale. I have been led to believe that the squirrel population there has been getting out of control. Dodger has been honing his catapult skills and Bach his 'stopping before I hit the fence' manoeuvres. The latter not with much success - it's just as well he has a thick head

We will continue to keep you in our prayers. May you be granted a quiet vicar with no dogs and a more appropriate sense of humour. With love and farewells,

***The Rectory Pack***

**SO**, starting with the bad news for all those who haven't had a letter through the door – by the time you get this edition of the Village News, or on the 25<sup>th</sup>, whichever is sooner, our subPostmistress Dorothy will have retired and the Post Office in Middleton Tyas will have closed. I won't go through it all again, but we tried, four applicants tried, but it was just impossible to find a way to keep it open.

No news yet on an 'Outreach' service, which is someone who runs their own Post Office coming to the shop or the Hall once or twice a week for a few hours to keep some semblance of a service going. But don't forget the shop sells first and second class stamps and can give cashback of up to £50 after a £2 spend on a debit card. We will also buy out Dorothy's stock of envelopes, sellotapes, pritsticks etc.

The loss of the Post Office obviously will have an affect on the shop, but we will just have to wait and see how much. In the meantime, we have some extra space which we will have a think on what to do with. Nothing can be too permanent given that we may get an Outreach service, but if you have any ideas (polite ones), let us know.

One idea has been to allow people to rent the space on a Friday and/or Saturday for a small fee to have their own little bit of retail space to display and sell whatever it is they do – be it painting, crafts etc. Or we have a large folding display board that could be used for advertising. Fridays are our busiest days, and Saturdays gets a slightly different crowd in. Let me know if you are interested...

And in the meantime, if anyone wants a lovely, two year old Post Office counter, that'll be 50 quid please!

It would make a great desk, with plenty of space on top and shelving at the back...

**WE** are doing our stock take on Saturday 2 November, from 1.30pm, so if you are able to help, please do. All it involves is counting things...

**CHRISTMAS** is barrelling towards us and soon I'll put together the raffle hamper, this year featuring some generously donated items from Fortnum and Mason (gasp). All for a good cause – ie keeping the shop going – so please do have a go. Or two. £1 a ticket. Each ticket will also cover the other half of our raffle, the marvellous Christmas cake donated by Mary Parvin.

**WE** have been unable to host our Big Breakfast this year and as this was a great fund-raiser for our capital account – from which we pay for equipment renewal or repair – ideas would be appreciated for other fund-raising events you would be interested in coming to. The Memorial Hall is very kindly donating proceeds from the raffle at their quiz on 15 November to us, which will help, but obviously with the price of a new fridge or such like, we need to keep this account healthy.

If you are coming to the quiz, please note that the alcohol and snacks will be available from the shop during the evening. Yorkshire beers, lager and ciders, white, pink, red, bubbly wine and all manner of snacks...

**WE** will be doing hampers again this year – more details soon. For a small charge, we provide a basket - all you have to do is fill it with goodies from the shop and we wrap it for you. A great gift for the hard to buy for, or as a thank you, or whatever, while supporting your community shop into the bargain!

# Fundraiser for Middleton Tyas Play Park

This was our third year for Bark in the Park and Village Fete, we have been extremely lucky each year with some wonderful weather which helps make it an enjoyable day out for everyone. As well as the fun companion dog show, we had an amazing dog agility course this year, one of the most professional I've seen so far. We had 2 amazing professional dogs doing demonstrations, and it was lovely to see how excited they got and how much they enjoyed it.

Oresome Copper Belles WI again hosted the village craft competition tent and kid's games and crafts. I think the ladies had as much fun with the crafts as the kids did. Our WI meets every second Tuesday at 7pm in the village hall, ladies if you are not a member but would like to come and see what its all about please come and join in for a night and meet some of the lovely ladies there. For you men out there, the WI also do some open events that you can join, this year there was bee keeping (very popular) and crime scene investigation.

We had lots of trade stands selling some lovely crafted goods and we are hoping to grow this for next year's event.

On a personal note I would like to thank

- everyone who volunteered their time to help make it happen,
- everyone in the village who supported us by giving generously to our tombola, raffle and bag a bottle competition,
- Milbury Hill for their generous donations of prizes,
- the WI for hosting the kids crafts and village fete competitions,
- the village hall for letting us use their tables and chairs,
- everyone who came to support the event,
- Mr Congreave for letting us use his field for parking and to the wonderful farmer who also kindly agreed and moved his sheep for us,
- Trinity Academy for letting us use their electric, tables and chairs,
- Dr James for stepping in to judge our dog show competitions,
- And to anyone else who I may off missed. Thank you

Leanne Harknett

## The Musicality Ladies Choir

The ladies have now kindly come twice to the village and have raised £500 each time towards our pot of money. I am extremely grateful to them and Hana from the Shoulder of Mutton Pub who originally suggested this as a fundraiser. The choir are amazing to hear and last year where accompanied by our own School Choir, it was a struggle to decide who were best.

I am so please to let you know that they will be back this year at St Michael and All Angels Church, so if you have missed them before please do come to this amazing event. There will be lots of Christmas Carol singing to put us in the festive mood, along with refreshments and nibble at the interval.

Our fundraising from Bark in the Park and concerts with Musicality Ladies Choir so far has raised just under £4,000 and we are now excited to start moving forward in conjunction with the Parish Council to see the next stage of the Village Play Park development. The Parish Council have organised an open event for everyone in the village to come and see the plans for the new Play Park. Please come along and see how we plan to use the funds raised and give us your feedback.

## Play Park Open Evening, walk-in event in the Middleton Tyas Memorial Hall

**3.00pm to 7.00pm**

**Wednesday, 13<sup>th</sup> November 2019**

We will continue to fund raise over next year, if you would like to get involved in helping to organise, just helping on the day or have any new ideas for fundraisers please do get in touch. I am always grateful for any help I can get and I'm sure my friends will be glad of a break from me constantly roping them in. I am lucky to know so many amazing people in the village and getting involved is a great way to meet some new friends. You can contact me Leanne Harknett on 01325 377321 or I live opposite the pub, Sundial House.

Thank you

## School News

It has been a while since we shared our school news with the lovely readers of the village newsletter in our local community and we are delighted to be back!

The Autumn term has begun very well, with our new starters settling in to school life here at Middleton Tyas and at Eppleby Forcett. It has been lovely to see new friendships being formed and beginning to flourish.

Our Reception class, over at our Eppleby Forcett site, have been sharing their favourite stories and explaining why they like a particular story. They have also been on a walk looking for signs of Autumn and searching for conkers.

Our Year 1 children have been finding out what helped the Great Fire of London spread, whilst our Year 2 children have been using music to recreate the sounds of the fire burning. They have also built 2D and 3D models of Tudor houses.

In Year 3, the class have been discovering facts about some of the world's most famous buildings and Year 4 have been inspired by artist Lucy Pittaway and the recent UCI cycling event and are creating their own cycling inspired pictures.

Year 5 have been busy learning about Sir Walter Raleigh and the 6 wives of Henry VIII. They are all walking round school reciting "divorced, beheaded, died, divorced, beheaded, survived!" Our Year 6 children have been enjoying their Forest School sessions and there are the beginnings of some very exciting dens! They are also preparing for their residential trip to East Barnby at the end of the month.

The whole school were encouraged to wear something yellow for #WorldMentalHealthDay. The children discussed ways to keep mentally healthy; did some mindful colouring and talked about the importance of friendship, being kind and helping each other. We were delighted to have a group of children from Key Stage 2 represent our school at the recent Cross Country event held at Richmond School. They all did extremely well and demonstrated great sportsmanship and we are delighted that some of them qualified for the next stage of the event in Dalby Forest.

Dare I use the "C" word in October?! The Friends are busy organising our very popular Christmas Fair. This takes place [on Thursday 28th November, 6pm-8.30pm](#) at Middleton Tyas in the school hall. There will be a wonderful selection of local businesses selling a fabulous variety of cards, jewellery, scarves, wreaths, candles and gifts and we would like to invite members of the local community to join us. It is the perfect opportunity to get some early Christmas shopping done and to buy gifts for family and friends whilst supporting our wonderful schools.

The Friends also helped to arrange our recent "Scaries and Fairies" discos. There were lots of wonderful costumes and the children all had a fabulous time dancing. A big Thank You to our amazing staff who stayed behind to supervise the children. We love having visitors in school, so do let us know if you would like to come and help. We look forward to seeing you soon.

Our pupils enjoy engaging in a wide range of opportunities both within school and in the wider community to demonstrate our Christian Values of Compassion, Generosity, Service and Thankfulness.

With this in mind, the children have gathered food donations for our Harvest Festival service which will then be given to the Storehouse Food Bank in Richmond.

Executive Headteacher, Kate Williamson, said "It is wonderful to see how generous our pupils and parents have been when donating food which will help others and benefit this very worthy cause."

The children were also keen to share why they had bought a donation in.

"It is nice to share food because some people don't have any."

"We are lucky because we have lots of food and some people don't."

"It feels nice to share and help other people."

"We are thankful for all the food we have in our cupboards and it is good to share."

"Giving food to someone else means they can have a hot dinner like I do."

## Village Post office

*Everyone in the Village should now know that the Post Office will close at the end of October with Dorothy's retirement. We will all miss her.*

*Sadly the Post Office closure will have consequences for the Village Shop which gets some trade from people using the Post Office, though there is a possibility of an 'outreach' Post Office facility some hours during the week.*

*The next community facility to go down may therefore be the Village Shop. The Village Hall could be next.*

*Pleas for supporting the Village Shop have been made on a regular basis without a great deal of success. Whilst many of us have the benefit of private transport, other more vulnerable villagers will need to make alternative arrangements to, for example, process their pensions. We should think of them.*

*If that doesn't prick our conscience, then consider what effect the lack of the Post Office, the Shop and maybe the Hall ie our community facilities, may have on the value of our houses should we reluctantly need to sell.*

*Time to rally around.*

Peter Monaghan

## Bulb planting

I hope you enjoyed seeing the daffodils and crocuses that we planted, mainly on The Green, last autumn. Fingers crossed that they all come up again next spring. The snowdrops 'in the green' which so many people kindly donated after they had finished flowering last March should start to make themselves apparent next spring too.

This Autumn I should like to start planting daffodils at the top end of the village. If you would like to help with the planting (and any help would be greatly appreciated) please just turn up at the start of the access road to Moulton, opposite the Scotch Corner services. Bring your own kneeler, trowel, spade if you have them but we will have spare tools if you need them. Proposed dates are as follows:

Thursday 14 November 2.00-4.00

Tuesday 19 November 9.30 - 11.30

Thursday 21 November 2.00-4.00

Tuesday 28 November 9.30-11.30

Those dates obviously depend on the weather and how much progress we are making.

## Ore-some Copper Belles WI

Well, we have been up and running for nearly 2 years now and all has gone smoothly - until this month. As we were all prepared to learn our self-defence moves, our visiting instructor was stuck in London due to the climate change protests; who would have thought Extinction Rebellion's cause would have an impact on our tiny village so far away? So we ran with Plan B, despite some of our members' lovely offers to show us some of their protective moves! Instead we welcomed Craig (our Village News editor) to teach us about coaching. He introduced us to the GROW technique; set your GOALS, think about the REALITY of where you are now, go through your OPTIONS and decide WHAT you will do next. Using this model, we all had a go at being a supportive coach to try to challenge each other's thinking about a problem or situation and explore further options that had not been thought about before. No closed questions allowed and a supportive, friendly but challenging approach required; it really was quite tricky to do. By the end though, some of us had opened our minds to new ideas and others had made promises to themselves to go home and do their WHAT next. It was a really interesting evening and a very useful technique to learn about; something all of us can use in our everyday lives.

Apologies to all those who were expecting a self-defence session and a massive thank you to Craig for providing us with a fabulous alternative and for stepping in at such short notice.

Next month, all should be back on schedule with an evening of chocolate! Back by popular demand, Andrew Thwaites will join us to teach us more about chocolate, carry out some demonstrations and provide us with plenty of chocolate tasting. Join us on Tuesday 12<sup>th</sup> November at 7pm in the Middleton Tyas Village Hall.
