2020 VISION... AND BEYOND

I am organising an event in the Memorial Hall, for the evening of 7th Feb 2020, when an illustrated talk will be given by a speaker from The Auckland Project (a charity based in nearby Bishop Auckland). It will include the origins, current attractions, and the future plans and developments of this exciting Project. Jonathan Ruffer, multimillionaire, philanthropist, art lover, man of Faith, first came to local attention when, in 2012, he saved for the nation, twelve important C17 paintings by the Spanish artist Zurbaran. He also saved Auckland Castle, once the Palace (with throne room) of the powerful Prince Bishops of old, and in which these paintings hung.

In 2015 Jonathan Ruffer brought to Bishop Auckland the unique outdoor spectacle of 'Kynren'; an epic tale of North East England over the centuries. Performed to a crowd of 8000, and initially led by the noted French group 'Puy du Fou', it has subsequently been staged annually by a local cast and crew of over 1000. I'm sure we'll all be fascinated to learn much more about the Auckland Project, and of the founder himself- what he has done, and what he fully intends to do for his community, and how he is putting Bishop Auckland firmly on the map.

On my most recent visit up the newly built Auckland Tower in the Market Place, then into the Mining Art Gallery close by (showing the work of the Pitman Painters), an employee spoke with genuine warmth and sincerity, telling me "Mr Ruffer? He's the real deal...". That says a lot. Entry tickets £7- ticket includes a pre-talk glass of wine and nibbles, served from 7pm in the Memorial Hall. Talk begins at 7:30pm. Tickets can be purchased from the village shop from 7th December 2019, or directly from myself (Susan- Tel: 377600). Please note, ticket numbers are limited. Profits will go to help Middleton

OPEN CHRISTMAS EVE
CLOSED CHRISTMAS DAY AND BOXING DAY
OPEN AS USUAL FRI 27-SAT 29
CLOSED NEW YEAR'S DAY

And lo, they saw the Memorial Hall donate proceeds from their annual quiz to the Shop, and the Shop was ever so grateful to the Hall. This money will go into our capital account, which holds funds to replace or fix dodgy equipment which we haven't been able to top up with the Big Breakfast this year. Thanks too to all who donated raffle prizes and who came – even the winners.

Thanks once again to those people who gave their time to help us count stock. This really is valuable help as we have a lot of stock packed into our tiny shop. And talking of tiny shops, do think of us this Christmas as the likes of Amazon and Sainsburys makes squillions.

Our Christmas stock will be in very soon and we will be taking orders for veg from Carricks too. Also if you like our petit pains and croissants, why not order some frozen ones from us to pop in the oven Christmas morning.

Get a bottle or two of Yorkshire beer or cider in, or some Wensleydale cheese to go with your Christmas cake (I hear that's a Yorkshire thing). We can get in Wensleydale and cranberry, or apricot, or ginger or just plain old. The real thing from the Wensleydale dairy, and we sell it a lot less than farm shops do!

Don't forget we have gluten free options too if you or your guests have issues. Pastry mix, bread mix, pancake mix, or stuffing or brownies.

Also coming very soon, if it isn't in the shop already, is our Christmas raffle. For £1 a ticket you could win either one of two hampers or a gorgeous Christmas cake made and donated by Mary Parvin. First ticket picked gets the choice and so on.

We're doing the create your own hamper again this year - for £3 we'll provide the basket and the talented Mrs Croft will wrap it beautifully once you've filled it with whatever goodies you want from the shop.

Also Christmas welcome rings and table decorations are back, at the amazing price of £25, made to order by another talented lady in the village. These looked absolutely fabulous (darling) last year and Clare is donating the initial £5 deposit to the shop. Order forms are available now in the shop.

We wish everyone a very merry Christmas and a happy and healthy 2020!
Thank you to everyone who supported us during 2019.

Thank you everyone for all your cards, good wishes and contributions towards my leaving present. I was overwhelmed by your generosity and the 'surprise party' at the Shoulder of Mutton on Friday evening following the closure of the Post Office to the public.

The cake was amazing – special thanks to Leanne and Catherine. The bouquet of flowers was absolutely stunning and thankfully I remembered to give them fresh water regularly!

Thanks also to Helen for all her hard work organising everything to make an unforgettable occasion.

My sincere thanks to everyone.

Dorothy Logan

CHRISTMAS GOODIES

AT MIDDLETON TYAS VILLAGE SHOP

MONTY BOJANGLES CHOCCY SCOFFY TRUFFLES - £3.20

Delicious and moreish, these cocoa dusted truffles make a perfect gift for the sweet tooth in your life, or as a thank you for a friend or colleague. And they're suitable for vegetarians.

FARMHOUSE BISCUITS 12 DAYS OF CHRISTMAS TIN WITH CHOC CHIP COOKIES

The perfect seasonal gift with a keeper of a tin. Crunchy biscuits studded with smooth, chocolately deliciousness. £3.90

REGENCY SALTED CARAMEL BISCUITS - £2.25

Also from Farmhouse Biscuits comes these scrumptious biccies packaged in a luxurious golden pack. They follow an old family recipe and are a gorgeous addition to anyone's Christmas pressie pile. Including mine. Ha.

AND NOT FORGETTING SANTA – SANTA BISCUIT BOX – 92P

Because the milk you leave out for old Sants may be a bit yucky by the time he gets to your chimney, or Dad's snuck down and drunk the whiskey (purely because he's looking out for Santa), make sure his cookies are still fresh! In a cute little box that the little ones can address, apparently they are made for Santa with love – which I guess means they don't include toe nail clippings or something. I dunno.

DAN CAKE CHOCOLATE LOG- £2.30

Who doesn't like a nice thick brown log at Christmas? On the fire, in the snowy forest with a beefy woodsman with a big tool chopping them up. Mmm. I've gone a little dreamy now...

MRS DARLINGTON'S MINCEMEAT WITH BRANDY - £2.85

Because we don't get enough alcohol at Christmas, get some in your mince pies too!

CHOCOLATE REINDEER

So much better than reindeer dipped in chocolate are these foil covered chocolate reindeer. With a bell! Ooh! 60p. Perfect as stocking stuffers or for nibbling on in front of the Queen's Speech. Just don't mention Andrew...

GNAW CHOCOLATE HOT SHOT WITH COFFEE LIQUEUR - £1.80

When all is said, done, eaten, opened, ignored, sulked about, burnt, left, and you're sat feeling like you'll never move again, get someone to heat up some milk and stir in a hot shot! It'll make an alcoholic hot chocolate to sip, sip, think ooh yum, and glug.

AFTER DINNER MINTS

To help everything go down and to cure that sprout breath, enjoy a nice after dinner mint. We will be stocking Elizabeth Shaw dark chocolate mint creams (heaven) at £3.10, and Beech's originally named After Dinner Mints, at £3.20.

MIDDLETON TYAS BITS AND TINS

Back in stock for gifts to show off where we live, aprons (as beautifully modelled by Jude and Viv on Fridays), t-towels, collector's tins, mouse mats, mugs and I think that's it because I didn't want to go too mad with the ordering. Mid Tyas cushion covers were a step too far...

STOCKING STUFFERS

Starting at £1, little bags and boxes to stuff in their stockings to hopefully keep them occupied for five minutes before jumping on your bed screaming 'it's Christmas'. Gee, husbands. For the slightly more mature, jars filled with humbugs, lemon sherbets and eclairs.

MARK DENTON'S YORKSHIRE CALENDARS

The tongue in cheek 'Its Grim Up North' and the normal, both featuring beautiful pics of our county. Especially good to give those Southerners who think they live in the best place. No mate, we do.

YORKSHIRE BEER GIFT PACK

A three pack of Yorkshire beers all in a fab gift box. Pick your beers from Yorkshire Blackout (or just try walking around our village at night for the same effect), Golden, the friendly sounding Monkman's Slaughter or stick a cider in there to make a change.

AND ALL THE REST

Cranberry sauce, stuffing, beetroot, stollen, cards, Edwina's mince pies, foil, pickled onions, Rennies, wine, prosecco, anadin, nurofen...

SCHOOL NEWS

Well, school has been very busy since we returned from the October half term holiday. Over at our Eppleby Forcett site some of the Preschool children went pumpkin picking recently and this sparked an interest in pumpkins. The children then looked at how they grow and then carved out the middle and made pumpkin gloop for a fabulous sensory experience. They also talked about Bonfire Night and the sounds the fireworks made before making their own rockets from card and paper. In Reception, the children have enjoyed learning all about Diwali. They used coloured rice to make Rangoli patterns and made salt-dough lamps. They have also been talking about the Guy Fawkes and they created a magnificent outdoor artwork using powder paint to represent the exploding fireworks. The children have also enjoyed a "bedtime stories" session where they came along in their pyjamas to listen to stories whilst enjoying a warming cup of hot chocolate and biscuits before being given a book to go home with.

In Year 1 the class have been celebrating Autumn in many different ways this week, from maths, to music, to artwork! They have also been looking at those responsible for the Gunpowder Plot and have made some amazing 'WANTED' posters! Meanwhile in Year 2 they have continued their investigations into those responsible for the Gunpowder Plot and have done some very descriptive writing and have also produced some explosive chalk firework posters.

Our Year 3 children have used their science knowledge of magnets and forces to design and make a magnetic game. They really enjoyed this topic and were eager to try out each others' games. A very excited Year 4 went off to Robinwood for their residential trip where they got to experience new and exciting challenges such as canoeing and climbing, which gave them opportunity to grow in confidence, works as a team and discover new skills. They have started their new text "Gulliver's Travels" and have been writing diary entries as if they were Gulliver and have also been developing their letter writing skills in anticipation of their new Pen Pal letters arriving from another school very soon!

In Year 5 the children enjoyed an amazing Tudor banquet to celebrate all that they have learnt in History on Tudor food for the rich and poor. The food was delicious with the pork pies being the most popular! The children then worked to plan a banquet themselves by finding the lowest prices for the items they needed. In literacy they have been writing in the style of Tudor estate agents and have also begun creating 3D models of Tudor homes. We have welcomed back our Year 6 children from their residential trip to East Barnby where they had the most amazing time canoeing, rock climbing, orienteering and river scrambling! Since their return they have been using figurative language to enhance descriptions in their written work.

Superb work from our Cross Country runners who qualified for the Level 3 North Yorkshire School Games County Cross Country Finals which were held at a rather wet and muddy Dalby Forest. Isaac, Freya, Alex and Dylan all qualified through their local Level 2 School Games events, with only the top 8 from each district qualifying from each year group. There was some excellent racing against great runners from across the County. We are very proud of them all. A special mention to Dylan in Year 3 who came first for Richmondshire! Well done everyone!

The whole school went dotty on Friday!! The children and staff were all encouraged to wear something sporty and spotty to raise money for Children in Need. They joined nutrition and fitness expert Joe Wicks via a live weblink to do a workout and we raised £290.80p for this very worthy cause.

DON'T FORGET!! We have our wonderful Christmas Fair [on Thursday 28th November, 6pm-8.30pm](#) in the school hall at Middleton Tyas. All village residents are warmly invited to join us for some festive fun.

The Friends are also hosting 2 wreath making workshops with Heather Roberts of Berry House Flowers. These are being held [on Tuesday 10th December](#) and [Thursday 12th December, 7pm-9pm](#) at Middleton Tyas in the school hall. The cost is £25 per person and includes refreshments. Places are limited so please don't miss out! You can book your place by ringing the school on [01325 377285](tel:01325377285) or [01325 718298](tel:01325718298)

Are you hosting a children's party? Are you concerned about single use plastic? Well, the Friends can help. They have put together an environmentally friendly party kit consisting of 36 reusable plastic plates, cups and bowls, 2 jugs and 2 food platters which can be hired for your party. All they ask for is a donation to the Friends in line with what you would have spent on disposable items and for all items to be returned washed and clean ready for the next user. To hire the kit please message the Friends at friends@trinityefmt.dalesmat.org

Ore-some Copper Belles WI

November was the month of all things chocolate as we were joined once again by Master Chocolatier, Andrew Thwaite. Andrew talked us through the making of chocolate from the bean in the field to the chocolate we buy in the shops. We explored the different processes of the fermentation of the bitter cocoa tree seeds to the cocoa beans which are dried and roasted to the cocoa nibs or cocoa powder and butter extraction. It was interesting to learn about the fair-trade process in the growing and harvesting of the beans and the future sustainability of responsible production. Andrew also introduced some of us to a 'fourth' type of chocolate alongside dark, milk and white. Ruby chocolate was introduced in 2017 by a Belgian–Swiss cocoa company and is produced from ruby cocoa beans. How exactly it is made from these carefully selected beans is top secret, but you might have seen it in our shops last year coating the pink Kit Kats.

As we reminisced about the chocolates and sweets of the past and the changes that have occurred, Andrew shared his thorough knowledge of the great confectionery families/companies of the North. He gave us a great insight into the history of the factories and the people that worked there sharing with us many stories about the chocolate workers and their confectionery

communities.

Next month, is a wreath making fundraiser - an additional monthly event to raise funds for the Ore-some Copper Belles (tickets are required in advance for this event). A January post-Christmas cocktail masterclass is also scheduled on Friday 10 January (£10 fee required for members). Please see our email sent earlier this month for further details and sign up at December's event (if attending) or by getting in touch at oresomecopperbelles@outlook.com

If we don't see you at the December's wreath making, we hope that you have a very lovely Christmas and wish you all the best for 2020!

"HOWZAT"

How was that indeed? What a fantastic season of cricket for England, unfortunately our Rugby Union lads couldn't quite reach the finish line after a fantastic win over the All Blacks, missing out to the Springboks, our National Cricket team went all the way and lifted the 2019 Cricket World Cup Trophy and what a final it was!! I've got to say though that both Rugby and Cricket teams gave us all a reason to be proud of our Country. Some of our club members myself included were fortunate enough to watch the lads play against New Zealand at the Riverside Durham, not quite as exciting as the final but a fantastic atmosphere. Then there was THAT match against Australia at Headingley where Ben Stokes made history the likes of which I don't think we'll ever see again, being there was one of the most nerve racking, exciting cricket matches I have ever watched and sharing the experience with family and friends made it even more special. There were a good number of pints drunk that day I can tell you!

Middleton Tyas Cricket Team ended the season mid table after several weekends where the weather literally washed the chance of any play well and truly away. Towards the end of this season they were struggling to get a full 11 which didn't help matters. Anyone interested in getting involved or just coming along to support the team would be made more than welcome, it's a pleasure to watch on a sunny summers day (cannot guarantee this, it is England) in such a beautiful setting. There are no restrictions, all ages, ability and gender accepted, would be great to see some girls giving the lads a run for their place.
