Litter

I was out walking over the weekend and bumped into Harriett and a friend who were busy picking and digging up litter. They showed me a bucket full of broken glass which they had cleared away from our paths. Both young women are teenaged and it is heartwarming to see them joining forces with other older residents in litter picking and caring about our community - please see the next section from Harriett.

Puzzles - including a Sudoku

This month I have returned to maths: When the Smiths married eighteen years ago Mr. Smith was three times as old as his wife. Today he is only twice as old. How old was Mrs. Smith on her wedding day?

Please email, phone or write by 13th May. Correct answers into hat and first 2 out - small prize - usually some chocolate.

Hi - this is Harriett bringing you the latest news on my litter picking plans. I have set a date of the **29th May** to go out and litter pick in our village and call upon any **#Litterheros** to come out and join me. You can pick up litter near your home or on a walk around the village. There are over 550 residents in our village and if everyone picked up just two pieces of litter that would be over 1000 pieces of rubbish removed from our beautiful village. I have chosen this particular weekend because it is the start of The Great British Spring Clean.

www.keepbritaintidy.org

I will arrange to leave litter pickers out on our village green for anyone that would like to use them between 10am-12pm. I would love everyone to get involved as much as possible. It can have a great impact on the environment in the best way possible. Let's make a difference.

MIDDLETON TYAS VILLAGE SHOP

MON-FRI: 8AM – 2PM SAT: 8.30AM-1PM

TEL: 01325 377198 EMAIL: MTVILLAGESHOP@GMAIL.COM

OPEN MAY BANK HOLIDAY (3RD) – 8AM – 11AM

OUTREACH POST OFFICE - TUES & WEDS 10AM-NOON
POST OFFICE WILL BE CLOSED TUES 27 APRIL – TUES 11 MAY

First off, please note the dates that the Outreach Post Office will not be reaching out, because young Kieron will be on leave. We will have stamps in stock and will be prepared to greet people with the bad news when they turn up with their parcels, because we enjoy their annoyance. Not.

Also note that we are open for a few hours on May Bank Holiday.

May is on its way, time passing so quickly that it leaves me in a permanent daze. That's what I'm blaming it on this week anyway. Nothing to do with my brain being as creaky as my bones – when I get up in the morning, my joints give so many cracks that my bedroom sounds like its Chinese New Year. I should eat more bananas. I should give up smoking. I should walk more. So many things on my 'should do' list, but that list goes the way of my 'to do' lists – they sit on top of the procrastinate pile. Which is huge.

There is talk of all shops having to charge 10p a bag from 30 April, but the Government hasn't made its mind up yet so it's a watch this space (no, not my head, the other space). At the moment we have lots of recycled bags to use up so we won't charge for them (they have been left for a few days untouched so will be okay).

As things start to ease Covid-wise, I am going to keep the measures we took at the shop to keep us all safe in place for a while longer yet. Six of us have covered the shifts since this all started, and none of us have been ill (I am touching wood obviously, being the superstitious beastly that I am). So I will keep it to one at a time inside (unless you're in a household group), in one door, out the other (unless Kieron's in the PO bit), and we'll continue asking you to sanitise your hands on entry. Not much to remember really?!

If any pooch owners have a spare leash and/or collar, even if they're a bit tatty, we would be grateful for a donation. Every so often we have an escapee pooch arrive on the doorstep and given that dogs are being stolen more and more often, we like to secure them until the owner comes. The last pooch visitor, with no collar, broke the leash we had. And to the owner, it was the shop that caught and secured her, not the builders I sent to get you because I was busy.

This month I have been eating mostly tinned fruit, all from the shop of course. Pineapple, apricots, peaches, prunes, pears and grapefruit. Actually not so much the prunes, I like to be able to leave the house sometimes. And the pineapple mostly goes on the gluten free pizzas I make from the gluten free pizza mix that we stock. (Subtlety is my middle name. As well as dimwit. And sparkles, but that's a whole other conversation.)

We have recently started stocking red lentils and chocolate raisins. The latter was mainly for the husband, but have I bought him any yet – no. Keep forgetting (dimwit). But I am sure they are very nice, tho I much prefer chocolate peanuts but hey ho. Also we are selling Cadbury's chocolate orange fingers at a pound a box, which is 50p cheaper than Tesco and Sainsbury's, and this is because I was in a good mood and decided to pass on the deal we got from the cash and carry.

Thank you to everyone who noted what I said in last month's dribble about the card charges. This was aimed at regular customers who spent small amounts every day so please don't worry if you haven't any cash, I won't be offended and the whip will stay in the back. This page is another thing I procrastinate on so that piece was a bit rushed and when I checked the latest statement from the provider, it is actually one charge that is a percentage, one flat 1p charge for every usage and one other charge for every time a card is used. But I did also notice that all the charges have gone up as they are obviously feeling the pinch with everyone using cards for the last twelve months.

Best Kept Village Competition 2021

Richmond Rotary are again organising this competition after a year off due to the pandemic. We have agreed to enter and will be sent the rules and regulations in due course. Judging usually takes place during the first 2 weeks of July. Despite the splendid efforts of residents, we haven't done so well in recent years so it would be good to make an even bigger push this year to improve our score. If anyone would be interested in leading/joining a team to do some 'guerrilla gardening' around the community areas of the village in June, please get in touch with any Councillor or the Clerk. Can we do it?

YES, we can!

Facebook...

We are happy to report that we have a new volunteer 'moderator' for the 'Middleton Tyas Community' Facebook page in the shape of Joe Perks. He is raring to go so please support this community page and send him any information or ideas you may have.

... and the Website

We are also happy that Diane Sinnott has agreed to resurrect the 'History Society' section of the village website (www.middletontyas.org.uk). This group was originally set up by the late Norman Mahaffy but has been dormant for several years. It will be exciting to see what Diane can uncover about our lovely village and its past.

Co-option of a Parish Councillor

We are looking to co-opt a new Councillor to serve until the next Elections (2023). If you would like to discuss the role, please contact any Councillor or the Clerk for a chat. Their contact details are on the 3 notice boards and the website.

Garden Bonfires – Current Advice – Please be thoughtful!

During the pandemic, Councils around the country have asked residents to reconsider the need to have a bonfire during this time due to the effects that smoke and particulates can have on those who are vulnerable. Advice was issued to residents by RDC in May 2020 and they hoped that people would take heed and consider their neighbours. They wanted to highlight the potential issue at the start of the pandemic, especially as at that time recycling centres were closed. Although it's not illegal to have a bonfire to burn garden waste which is grown on the land, smoke produced could be deemed a 'statutory nuisance' under the Environmental Protection Act 1990, depending on times and frequency of fires. The decision lies with the individual as to whether they choose to have

a bonfire. We would refer residents to the leaflet 'Bonfires' which is available direct from RDC (01748 829100) or can be emailed to you on request (clerk.mtyas@live.co.uk). Thank you.

Overhanging branches

Gardens are growing furiously now the sun is shining so please be conscious of any over-hanging branches from your own trees and shrubs. They should not overhang the public footpaths or roads, nor cause a nuisance to your neighbours. Thank you again.

And finally

Now that pubs, cafes and restaurants are re-opening, albeit outdoors, please remember to keep a safe distance and follow the guidelines so we can all enjoy a lovely Summer (weather permitting!)

Middleton Tyas Neighbourhood Watch

The latest figures from the Police National Computer indicate car crime decreased during Covid-19 restrictions

*but we could now see a surge in car crime with the easing of lockdown. The Neighbourhood Watch Network is launching a "Protect Your Car" campaign, asking us to protect our cars by always leaving them **Locked, Lit and Empty.***

There is a misconception that cars are now auto-locking or lock themselves if left unattended after a period of time which isn't always the case so best to lock our cars ourselves rather than assume they will lock themselves. As most car crime occurs during the evening or at night, parking near good lighting and remembering to remove personal items to make sure no items are left on show can help deter thieves too.

Our local Police Officer PC Mark Wood has now moved on but please do not hesitate to make contact with PCSO 4303 Felicity Wilkinson or PCSO 3651 Connor Mattison at any time, they will always try to come back to you. We can email them at Felicity.wilkinson@northyorkshire.pnn.police.uk and Connor.mattison@northyorkshire.pnn.police.uk or we can always email general enquiries at generalenquiries@northyorkshire.pnn.police.uk but if we see anything suspicious we still need to call 101 or 999 if it is still taking place.

If you would like to get in touch with us at the Neighbourhood Watch you can always email us at neighbourhoodwatch@middletontyas.org.uk or find us on Facebook.

School News

from Helen Richardson

What a lovely start to our summer term. The children have returned to school after the Easter break with a spring in their step and eager to learn.

Over at our Eppleby site, the pre-school have been enjoying their newly revamped outdoor space whilst children in Reception have been enjoying the sunshine and looking for signs of Summer. They have also been busy turning a shed into their very own garden centre and ice cream shop!

Years 1 and 2 have been making good use of our Forest School area, searching for paw prints and identifying which animals might have left them. The children have also built some wonderful habitats and shelters for any animal that might wander into this area.

Our Year 3 have been using their senses to write some wonderfully descriptive pieces and they have also enjoyed their first swimming session and DRUMBA lesson.

Meanwhile our Year 4 children have been making the most of the good weather and our outdoor spaces by taking their Maths lessons outside to look for clues to convert fractions to decimals and vice versa. They have also begun their new topic on plants, looking at how they grow and produce seeds.

Years 5 and 6 have begun exploring and learning about Ancient Greece. The children have made some fabulous Medusa artwork and have immersed themselves in Greek Mythology! They have also looked at the Greek alphabet and written notes to each other.

Race For Life

Sadly, cancer is something that will affect 1 in 2 people and here at school we are sadly dealing with members of staff and parents who are currently dealing with this terrible disease. To show our support, we are doing our very own Race for Life. This will take place on Friday 28th May when everyone in school will walk or run our special route. We have set up a donation page with Cancer Research and would be extremely grateful if our local communities could show their support by making a donation. We're hoping to smash our target amount of £500. Please show your support by visiting:

<https://fundraise.cancerresearchuk.org/page/trinity-academy-middleton-tyas>

The Little Princess Trust

One of our pupils in Year 4 has been growing his hair for a number of years with the intention of having it cut and to then donate the hair to The Little Princess Trust who make wigs for people who have lost theirs through chemotherapy. Please show your support by donating to his Just Giving page which can be found at <https://www.justgiving.com/fundraising/zac-airey>.

Spring is in the Air - an opportunity to renovate a community garden area!

Bamford Doors, Entrotec & KMS have once again joined forces to assist an organisation to renovate a community garden area, to greatly improve the wellbeing of residents and the environmental biodiversity. The group says:

“With the struggles that many have endured in the last year, we understand the need for a safe and secure outdoor space that allows greater social interaction in our communities. Not only will your residents benefit from the great donation, we have partnered up with other charity organisations to procure goods and materials for the project. In addition to supplying general garden items such as bird feeding stations, bird boxes, bug hotels, picnic benches, we will contribute our time and labour to the project.”

Email your application to conor.kelly@bamforddoors.com with a brief description explaining:

- Who you are?
- The location of the project.
- Picture of the garden.
- Why they should pick your garden space.
- Who is going to benefit from this project and their needs.

Ore-some Copper Belles WI

This month, our Ore-some ladies enjoyed a relaxing evening together. Vicci Pace from Temple Spa treated us to a pamper session in the comfort of our own homes.

Preparing us, in advance, with a bag of treats (not to be peeked at prior to the evening!), we transformed our homes into luxurious and tranquil spa environments; our goodie bags filling our rooms with the aroma of Temple Spa. Hot flannels at the ready, Vicci guided us through some relaxation techniques using the products to enhance our experience. Then it was time for a DIY facial including cleansing, toning and moisturising. We got to test out many different minis of the Temple Spa products and compare them against each other to see the different effects on our skin. It was a perfect evening to relax and wind down, plus our skin felt amazing afterwards. If you fancy a spa evening of your own, we can thoroughly recommend Vicci. She has visited us several times now to deliver different sessions. You can find out more at <http://www.templespa.com/victoriapace> or <https://www.facebook.com/viccipacetemplespa/>

Next month, it's time for some more Bingo fun on Tuesday 11th May at 7pm. Bingo cards will be distributed in advance – details to follow. We are always looking for new people to join our group. If fancy a bit of monthly socialising with us, please get in touch at oresomecopperbelles@outlook.com. Membership is £44 annually.

Don't panic, we're still here!

Tony's Taxis and Team would like to inform all of our customers past, present and new, along with all of our local business associations that our Resilient Family Business is moving, but the good news is we won't be far away and still covering Middleton Tyas, Moulton and all surrounding Richmondshire areas!

From March 1st 2021, we move into exciting, BIGGER premises with ample space for our whole fleet under one roof, making Valeting and Maintenance of vehicles on a regular basis much easier - **Secure, Dry and Local!** We are all very excited as a family to get back into the full swing of business when restrictions are fully lifted with the high standards we've always striven to achieve.

As always you can still contact us on **07775 911354** for enquiries and future pre bookings!

We would also like to take this opportunity to **SINCERELY THANK YOU ALL** for your past and continued support and for your patience throughout these trying times.

We send the best of wishes to everyone with a hopeful outlook for the future.

"We're STILL here for your care... Not just your fare".

Stay safe, fit and well!

Thank You.

Challenge yourself and climb for Hospice Care

Looking for something to look forward to? Join Herriot Hospice Homecare for a Yorkshire Three Peaks Challenge on **Saturday 18th September 2021**.

Test your stamina and take on the peaks of Pen-y-Ghent, Wharfedale and Ingleborough, in under 12 hours, while supporting your local hospice care charity. Every step you take and every pound you raise in sponsorship will help local families living with terminal illness and bereavement. A challenge for individuals, groups of friends, work colleagues or family, it's a great way to get together and meet new people whilst you take in the stunning scenery and iconic Three Peaks.

You will be supported every step of the way by expert guides from Large Outdoors, who will keep you motivated throughout. And staff and volunteers from Saint Michael's will be there alongside you from the moment you sign up, with a fundraising pack, personal stewardship, advice and tips on everything from how to set up a fundraising page, to what you'll need on the day, and how to prepare.

This event is now bookable with a registration fee of just £40, or £20 each for groups of 10, and we ask that each person aims to raise a minimum of £100 in sponsorship.

Letters to the Editor

Motorway noise level compensation claims.

Currently there are a number of compensation claims submitted to the Highways authority arising from the increased noise from the motorway.

- The District Valuer has been appointed to negotiate on behalf of the Authority. The cut off point in the village seems to be at the pub and he suggests properties may have depreciated in value by about 1%.
- I know the two Land Agents are acting on behalf of clients making claims.
- Some clients may not realise that the fees of any agent instructed are covered by the Highways Authority.
- The land compensation act 1973 ...which allows claims to be made also confirms as follows....
"In addition to compensation any expenses incurred in the preparation and prosecution of a claim will be paid by the highways authority."
- I have seen a copy of a contract with one agent which requires a payment of 10% of the compensation.
- In other words the agent is seeking to be paid twice but has not told the client.
- In view of the lack of disclosure it may be an unfair contract term and arguably not enforceable?

Guy Hodgson, Jacobs Croft, Middleton Tyas

Research Information Request

I am seeking the following auction catalogue/particulars for research on Middleton House. I have already the original deeds but would like to see a copy of the 1919 auction. I was hoping that perhaps someone in the village may have a copy?

“Plan of the Rookery Estate Middleton Tyas, Yorks For sale by Auction by Messrs Knight, Frank & Rutley 20, Hanover Square, London W.1 1919”

Many thanks.

Diane Sinnott, Middleton House, Middleton Tyas

Moulton Matters

Books in the Moulton Book Stop

The sale of books DVDs, CDs, cakes, gifts, games and jigsaws in the bus shelter during March raised £239.62, thank you to all our supporters. All books, DVDs and CDs are priced at 50p. Good quality fiction books, plants and any other produce are always welcome. Please leave them on the benches in the bus shelter. All proceeds will go towards Moulton Village Association funds.

Best Kept Village Competition

Ahead of the competition that will be judged in July, volunteers are stepping up their care of tubs and troughs and enthusiastic litter picking is ongoing. Good luck in keeping your borders healthy in this changeable weather. Benches and noticeboards will be maintained over the coming weeks – thanks to those who have volunteered to refresh them.

Telephone Box

We have received notice through Richmondshire District Council that BT intend to remove the public telephone unless reasons are given to justify that it remains. When this was proposed some years ago, we were able to retain the facility due to the fact that we have a poor mobile signal in the village and in a medical emergency, to access the defibrillator (located in the Black Bull car park if you are not aware), the public phone could be vital. Please contact the Chairman of the Parish Meeting (moultonparishmeeting@yahoo.co.uk) if you wish to support keeping the telephone. Once it has gone, it will not be replaced.

Highways Maintenance

The broken chevrons at the top of Scurragh House Lane have been reported and will be repaired. The damaged “Public Bridleway” sign on Hall Road has been repaired and shortened. It will be replaced in due course. The broken telephone pole opposite the Black Bull has been replaced and for health and safety reasons, due to the proximity of the electricity pole, has been placed on the verge outside the Inn.

Postal delays

Following the delays and absence of postal deliveries earlier this year, our MP Rishi Sunak was contacted and he in turn contacted the Chief Executive at Royal Mail. An explanation was received from the Senior Public Relations Manager that gave reasons as bad weather and coronavirus related sickness.

Village Green spaces

The Moulton Village Association and St Andrew’s Church are jointly funding the lawn treatment in the Garden and outside the Church.

Speedwatch

Speedwatch activity has recommenced. If any resident would like to join the team, please email moultonparishmeeting@yahoo.co.uk.

Moulton Communications

We have a circulation by email (Bcc) to over 70 residents in Moulton. If you are not receiving these or perhaps are new to the village, please contact the Parish Meeting and you will be added to the list: moultonparishmeeting@yahoo.com.

Church Flowers - message from Sara Vaux:

As the church is not open every day at the moment I appreciate it is difficult for people to put their names down to do flowers. Should anyone wish to help out with flowers please ring me on 377228 and I could meet them there in order to look at the list.

Muriel Hill is in charge of flowers in May.

Cricket is on 2021

24th of April sees the first match of the season for Middleton Tyas's at our beautiful cricket ground sited at Middleton Lodge. Work has been ongoing to get the pitch & pavilion match ready and a couple of outdoor nets have taken place, as soon as restrictions permitted.

Anyone interested in playing is more than welcome, the team plays in a mid week friendly league as well as Saturdays in the Darlington & District league, No previous experience necessary! Although it would help if you enjoy a beer after the match.

As a club we still have financial out goings and unfortunately over the past year have not been able to hold any fund raising events. We have been running a 100 club for many years and this continues to be a good source of raising funds to ensure the survival of this much loved club, which has been part of the village for many years. The 100 club runs from April and for £12 per year you get chance to win cash prizes each month with March paying out £100 to the winning number. Many residents already have numbers in the draw and we thank you for your continued support.

Winners from the last few draws of 2020/21

December 2020 - 1st Martin Brown, 2nd Marcus Burnett, 3rd Shaun Lowes, 4th Julie Brookes
