At last it is happening! Organised by Mrs. Eileen Davies, this concert is to be held on Saturday 9th October at 7:30pm at The Georgian Theatre Royal, Richmond. This will be a fabulous evening of music in the newly refurbished theatre. The seats are newly upholstered with new backrests and there is a new ventilation system. Graeme Danby and friends, Valerie Reid and Sarah Fox along with Alice Dix, Austin Gunn, Ben Noble and Jenny Martins will entertain you with a wonderful selection of music to suit everyone from Fauré to Gilbert and Sullivan.

Tickets cost between £21 and £26 and are available from the Georgian Theatre Royal box office or online. For more information please phone Eileen Davies on 01325 377689 or the Theatre on 01748 825252..

OUTREACH POST OFFICE - TUES & WEDS 10AM-NOON
CLOSED FOR ANNUAL LEAVE UNTIL OCTOBER 5TH

First off, please note the dates above that Kieron will not be reaching out in the Post Office. He does seem to get a lot of leave, me thinks (occasionally, then I have to have a long sit down) that I'm in the wrong job (and don't think I didn't hear you just mutter 'here here'). Don't forget the Shop sells first and second class stamps.

October is the last month of our financial year so do come and spend your pennies with us. Tears happen otherwise, not pretty.

Now because it is the last month, we have to count all the stock that we manage to squeeze into the shop. This will happen on Saturday 30 October, 1pm til whenever it's done, so if you're free and able to lend a hand, we would be very grateful. It literally is just counting stuff and we have managed to do it in the past under two hours.

We are taking donations for a memorial for Ken Etherington until the end of September, so if you haven't given anything yet but want to, you still have time.

Back in stock are the Middleton Tyas aprons, bags and mugs, all in the summer and winter versions. I like the winter ones myself, simple and monochrome, like me.

Also in stock now are the brilliant Mark Denton Its Grim Up North calendars, after Mrs Denton plonked a load on the counter the other day. RRP is £9.99 but because we like to not take the mickey, we sell them at £8.99. Beautiful scenes of Yorkshire with ironic descriptions. A fab gift or a place to stick loads of little post-it notes, like I do. Because I have no memory. I've not put them out yet because that's just silly in September, so do ask if you would like one, and our member of staff/volunteer will go a-hunting because I'll have forgotten to tell them where they are.

If you need a pep of energy occasionally, we are stocking Vit Hit vitamin drinks. Currently we have Orange, Mango and Passionfruit with matcha tea and amino acids. Only 25 calories in the whole bottle which is totes amazeballs obvs. Once I got used to the taste (matcha tea probably, not a tea drinker) I quite like these and am thinking of stocking them properly and not just because I had to make up an order and they were on promotion. They seem to work as well, definitely a little more energy going on in my knackered old body. Find them next to the energy drinks in the fridge. I mean, 25 calories...

From the beginning of October, Natasha's Law comes into effect. This means that with every sandwich, pie or piece of bread we sell, we have to give you a note of the ingredients. The Law came about after a young woman died from an allergic reaction after eating a Pret a Porter sandwich that hadn't listed all the allergens. A bit of a pain but we have to do it.

For anyone running an AirBnB in the village, I've added to my to do list to get some pamphlets about the shop done and then I will ask very nicely if you wouldn't mind having them in the accommodation. We are increasingly getting people staying in them coming into the shop, so we are of course grateful to any owners who are pointing guests our way. My to do list is fairly long and designing anything isn't really my forte, so don't hold your breath. I'll let you know when they are available.

Our bacon butties are still popular and back on the first Saturday of October, despite the chef injuring herself rather badly recently. Oh Jude! One of the many Lizzes in the shop stepped in in September between golf games and after I had remembered what we needed to bring/do etc (Jude was also my stunt memory), we got along famously. Even if I did manage to totally miscalculate the amount of bacon we needed. We usually have a few sausages to add in on request at no extra charge.

Oh look at that, managed to fill the page. Yey. And way before the 20th deadline. Double yey.

SEPTEMBER WI News.

We returned to the village hall for our September gathering and how lovely it was to see everybody there, old faces and

many new ones too. It was telling how glad we were to be getting back to some normality by the buzz of excitement around the hall, catching up with one other after what has been such a long time.

For our first session back, we had a captivating talk by Julie York about wild swimming, Alcatraz and being a WI Life cover 'girl'. Julie took us through her swimming journey from starting very young through to her continued passion of present, focusing on her main achievement of swimming the 2 miles swim from Alcatraz Island to San Francisco. With the strong currents of the sea, she zig zagged her way across the open water keeping her eye focused on the chocolate shops in San Francisco bay to keep her focused and guide her way in – what more motivation could she need! This led her to becoming the front page star of WI Life and then telling her story to inspire other WI ladies to brave the cold of outdoor swimming. Julie now teaches children and adults to swim safely outdoors as well as enjoying the sport as her own pastime. She continues to set herself challenges along the way with her prime motivation seemingly being cake! Julie's story was a joy to listen to, informing us about her sport but also entertaining us with her humour and spirit. She may even have inspired a few more ladies to take the plunge and join her in Ellerton Lake! For more information, find Julie on her Splash Outdoors Facebook page and at <http://www.ellertonpark.com/watersports>

Next month, on Tuesday 12th October, we are having a visit to The Georgian Theatre for a guided tour. The tour starts at 7:30pm at the theatre with a plan to leave Middleton Tyas village around 7pm for those wanting to travel together. Further details to follow.

We always enjoy having new members so if you too would like to join us then please get in touch at oresomecopperbellesWI@outlook.com or via our Facebook page. Membership is £44 annually.

News from Neighbourhood Watch

Thank you for reading this Neighbourhood Watch page. Crime around Richmond has been relatively low in recent months and the chances of being a victim of burglary are still very low in Richmondshire. As the nights draw in however North Yorkshire Police hope that by considering the following points they can help make your homes and businesses less appealing to criminals.

Home Security Check

- Do you have external motion censored lighting?
- Do you have adequate locks on your sheds and outbuildings?
- Do you let your trusted neighbours know when you are away from your home address for long periods of time so they can keep an eye on your home?
- Do you have CCTV covering your drives and gardens?
- Do you leave valuables in clear view of your windows?
- Do you leave your car keys in view of your windows or close to your front door?
- Do you advertise on social media when you are away from home?
- Do you remember to lock your doors and windows when you go out?

Gift card scam

An email is received which appears to be from a friend or colleague asking you to buy a number of gift cards - Google or Apple Pay. The email will usually be from someone you know (their email may have been hacked) and explains they can't buy the gift cards themselves because they are in a meeting or can't get to the shop but that they will pay you back as soon as they can.

The email will also likely ask you to photograph the cards once purchased and send them photos of the unique codes printed on each card.

This allows the scammer to use the gift cards to make online purchases and needless to say you will never see your money again. Typically the value of the gift cards is around £500.

If you receive an email like this, do not purchase any gift cards. If it is from someone you know, ring them to check if the request is really from them and if not then they need to be alerted their email may have been hacked.

Counterfeit vaccine passports

Now that travel and entertainment venues are opening up again, many places require proof of vaccination status in the form of an NHS Covid Pass. These can only be obtained via the NHS website, NHS app or by calling 111.

Beware of fraudsters posing as NHS staff!

Rural Team Updates

PC 1158 Bernie Luker is our new Rural Police Constable who has recently replaced PS Mark Wood. PC Luker has joined Richmond NPT after working as a response officer for North Yorkshire Police and with Cleveland Police.

As always, if you need to report a crime or scam, please call 101 or 999 in an emergency.

If you wish to contact me regarding any Neighbourhood Watch matters, please email me (Mac Bryant) via neighbourhoodwatch@middletontyas.org.uk

Moulton Matters

Books in the Moulton Book Stop

The sale of books DVDs, CDs, plants, produce, cakes and jigsaws in the bus shelter during August raised £413.00, thank you to all our supporters. All books, DVDs and CDs are priced at 50p.

Good quality fiction books, plants and any other produce are always welcome. Please leave them on the benches in the bus shelter.

All proceeds will go towards Moulton Village Association funds.

Residents may have read about the removal of a significant number of items from the Bus Shelter without payment. The matter was reported to the police who, with information from local CCTV, were able to identify the individual. The person has been spoken to and has returned to leave the appropriate money. Thank you to vigilant neighbours.

Dog Fouling

Residents have once again noted increasing amount of dog fouling, particularly along Hall Road between the Manor and Moulton Hall as well as at Low Gatherley on residents' own verges. Please pick up after your dog and also ask any visitors to do likewise. Please also remember to pick up any poo bags left on the verges and to not leave them for others.

Speedwatch

Speedwatch activity has recommenced after a break of a few weeks, however, we are short on numbers now that everyone is back to work and holidays are largely over. We need a minimum of three in the team each time we monitor speed and unless we have more volunteers, we will have to suspend the activity. If any resident would like to join the team, please email moultonparishmeeting@yahoo.com. The team is active when volunteers are available (and the weather kind) once a week in the early morning or late afternoon when traffic is busiest.

Defibrillator Familiarisation

As life returns to something resembling normal, a familiarisation session will be held on 30 September at 6.00 pm in the Black Bull Inn where the defibrillator is located. If you would like to attend and have not already indicated your interest, please email moultonparishmeeting@yahoo.com.

Moulton Communications

We have a circulation by email (Bcc) to over 70 residents in Moulton. If you are not receiving these or perhaps are new to the village, please contact the Parish Meeting and you will be added to the list: moultonparishmeeting@yahoo.com.

Church Cleaning:

Thanks to all who have volunteered to clean St Andrew's.

October: Mr and Mrs Whitehead

November: Mr and Mrs Stephens

CONFIRMATION CLASSES

As you are no doubt aware, we are still without a rector in this benefice. However, our former rector, Rev Jenni Lane, has kindly offered to include anyone from this parish in her forthcoming preparations for Confirmation. She will be holding classes in Ainderby Steeple, October / November, on Thursday evenings at 5.45pm. The date for the Confirmation Service is 27th February at Ainderby Steeple. If you are over ten years old, child, or adult, and wish to take part, please contact Jenni at jennilane2013@btinternet.com
