Richmondshire Choral Society Relaunch

Richmondshire Choral Society has two great concerts planned, the first on 19 November for Richmond's 950th Celebrations, and the second to open the 50th Swaledale Festival in 2022 but for both of these it needs more singers.

The music for the 950th Celebrations is Vaughan Williams Fantasia on Christmas Carols, Finzi's In Terra Pax and Rutter's Magnificat plus a 950th Celebration commission by choir member Mark Harrison.

Rehearsals start on Monday 6 September in Richmond Methodist Church at 7.30pm. Please arrive from 7.00pm to register. Music will be available and new singers are given 3 weeks in which to decide to join.

The Spring 2022 concert is a performance of Handel's Messiah in Ripon Cathedral and will be given jointly with the Reeth-based Swale Singers.

OUTREACH POST OFFICE - TUES & WEDS 10AM-NOON

Hello again, have you missed me? No. Oh, okay then. Be like that.

Firstly, other than you not missing me (won't sulk for long, just a week or two), is the sad news for anyone who didn't know of Ken Etherington's passing. A mainstay of the village for a very long time and a huge help to all sorts of people, Committees and Councils, he helped in the shop since before I even first plonked my feet and purse there. Sorting the papers on a Saturday morning and general cleaning in the afternoon – a man of routine, woe betide anyone who was standing on the mat by the till as they would be asked to step off so he could take it outside to give it a good bashing. Keen to help, he got his own log-in on the till which stayed there a long time after he was no longer needed on it – but then that could be because I'd forgotten how to delete log-ins. He will be greatly missed.

We are taking donations towards getting a memorial put in the Memorial Hall garden for Ken, a garden he put a lot of love and work into over the years. It would be a lovely way of remembering him.

We have a new beer in stock – the Treboom Yorkshire Sparkle – which is a strange name for a beer but then I don't drink the stuff so who am I to say. Yorkshire sparkle is what I hope to find in the bottom of a hole when I'm metal detecting, but its usually Yorkshire rusty iron, or my recent speciality, Yorkshire enormous horse shoe. Anyway, its a really pale ale with refreshing grapefruit flavours and hints of tropical fruits. Apparently.

Priced at £2.60 it joins our other Yorkshire beers and ciders on the top shelf, above the biscuits. Made by the Great Yorkshire Brewery, these are the Yorkshire Blackout (velvety chocolate and vanilla porter), Yorkshire Moors (unique hoppy and fruity aftertaste), Golden (with honey and caramel notes), Lager (earthy and slightly sweet), all selling at £2.50 for 500ml, and Yorkshire Cider (true medium and refreshing). And there we are, type Yorkshire enough times and it fills the page up nicely. We also sell Carling, John Smiths and Peroni, which aren't from Yorkshire.

And talking of biscuits, a new flavour from Bothams of Whitby (in Yorkshire) is coconut and ginger, which are lovely, with a capital love. The chocolate chip and ginger aren't so bad either and the just plain old ginger all on its own are ever popular.

Back in stock is the Yorkshire Lavender room spray and the linen spray. Depending on the time of year, the wholesale price is a bit silly so these are rarely in – I only get them when the price comes down a bit and there is an offer on. See, I look after you don't I? Even when you don't miss me.

This month I've been mostly eating marmalade. Nom. Tiptree's Old Times or Orange and Tangerine, Mrs Darlington's thick cut, Mercer's English breakfast (Yorkshire). Perhaps that's why there's a faint tinge of orange to me, not sure. All delicious on my morning bloomer, honey and sunflower seed loaf, potato roll or petit pain, freshly baked at the shop in the morning (order the first two the day before).

We are still needing volunteers and after the overwhelming number of people (none) who came forward after my appeal for early morning shifters, maybe a Saturday morning is more your cup of tea, slice of toast with marmalade kind of thing? Our staff and volunteers have been amazing all through this rotten Covid time but obviously now with more freedom, they are going to see people not seen in a long time or having a well earned holiday, so we really need people to step up and get trained and be ready to fill any upcoming gaps. Have a think, maybe pop in for an hour or so to see if you are suited and we promise faithfully not to handcuff you to the till and bugger off to the Bahamas or anything.

A customer has asked that anyone who has clothes, blankets etc for the Afghan refugees holds off taking them anywhere until she's found out where a collection point is.

WE WILL BE OPEN BANK HOLIDAY MONDAY 8-11AM

Best Kept Village Competition 2021

Rotary Club of Richmond has now made the following announcement on their website at:
<https://www.rotary-ribi.org/clubs/homepage.php?ClubID=231&ie=UTF-8&oe=UTF-8>

“The 2021 Best Kept Village in the Richmondshire area competition has taken place following the lifting of Covid-19 restrictions.

Sixteen villages participated and it was clear that a great deal of hard work had taken place to prepare for the event. In accordance with Richmond Rotary procedures the potential winners were visited by a second independent panel of judges. As a result, we are pleased to announce that the winning village in 2021 is:

WEST BURTON. Runners up were 2. Caldwell and **3. Middleton Tyas.**

Thanks to all participants. Please look out for a News Release in due course and support us again in 2022.”

Very well done to all residents who went the extra mile to make our village environment look so good after a difficult year for everyone. Onwards and upwards!

New Equipment for the Community Speed Watch Team

We have been successful in obtaining a grant from RDC’s North Richmondshire Community Partnership Fund to help us purchase all the equipment we need to run the Community Speed Watch project. This includes a Radar Gun, a counter, Hi-Viz jackets, 2 warning signs and a storage box. We are very grateful to RDC for their financial help. We can now return the equipment which we borrowed from NYCC, with our thanks to them for the loan and for help in setting up the scheme.

And New Equipment for the Play Park

We are very happy to report that a bid to RDC’s Richmondshire Play Park Funding Scheme 2021-2 for a grant of almost £10,000 to enable us to purchase a new piece of play equipment for the Play Park has been successful! We will be purchasing a new climbing net which will be a challenging replacement of our ageing climbing frame (anyone know how old it actually is?), and a first step towards the further refurbishment of the area. We are most grateful to RDC for their very generous support of this project.

Co-option of Parish Councillors

We still have 2 vacancies for Councillors to serve until the next Elections. If anyone would like to find out more about what is involved, please speak with any Councillor or the Parish Clerk. **Your village needs you!**

Next Meeting of the Council

The next meeting will be held on Thursday, 9th September 2021 in the Memorial Hall, starting at 7.00pm. All residents are welcome to attend all meetings of the Council as ‘Observers’. Any items you wish to have discussed on the Agenda should be addressed to the Clerk at least 7 days before a meeting. Agendas and Minutes of previous meetings are available on the website at www.middletontyas.org.uk / Parish Council under the relevant dates.

IN MEMORY OF

Frank Jones, Stuart Wilkinson and Kenneth Etherington (Jed)
who passed away in recent weeks. They were all much valued
members of our village community and will be very sadly missed
by friends, neighbours and colleagues. *Rest in Peace.*

Neighbourhood Watch is important because it is the way in which each one of us can make a worthwhile contribution to the safety and wellbeing of our communities.

A bit like the environmental slogan “Think globally, act locally”, Neighbourhood Watch encourages each of us to behave in ways that contribute to a big idea which ultimately benefits our neighbours, friends and community through our small acts as individuals.

That is why when taking on this part of our local newsletter I hope that each month I may be able to share some specific ideas that you find useful, and which support the work of our hardworking police and local authorities.

I am pleased to say that NY Police report that crime over the last few months has been relatively low around the Richmond rural areas. Most reports have been regarding anti-social behaviour and poaching. The total number of reports made is 45.

The National Fraud Intelligence Bureau (NFIB) is warning the public to be vigilant of scam calls that appear to be coming from numbers similar to their own. Commonly, the first seven digits (07nnnnn) match the victim’s own number. The calls impersonate well-known government organisations, or law enforcement agencies, and will ask the recipient of the call to “press 1” in order to speak with an advisor, or police officer, about unpaid fines or police warrants. Government and law enforcement agencies will not notify you about unpaid fines or outstanding police warrants by calling or texting you. Do not respond to any calls or texts you receive about these.

- **If you receive a suspicious text message, you can report it by forwarding the message to 7726. It’s free of charge.**
- **Suspicious telephone/mobile calls can be reported to Action Fraud via their website: actionfraud.police.uk/report-phishing**

The CEO of Neighbourhood Watch Network is very aware that anyone can be caught out by scammers. They deliberately target our better nature and use psychological methods. He urges people to feel that it is OK to say ‘no’ politely and firmly and has circulated these interesting little pictures:

RECIPROCITY

They imply they’re doing you a favour

SOCIAL PROOF

They indicate everyone else is doing this

COMMITMENT

They ask you to do one little thing which makes you do more

URGENCY

They say your only chance is to act now

CONNECTION

They act like they’re similar to you so you like them and want to please them

The lion lies every Monday, Tuesday and Wednesday and the other days he speaks the truth. The unicorn lies on Thursdays, Fridays and Saturdays, and the other days of the week he speaks the truth. "Yesterday I was lying," the lion told the girl. "So was I," said the unicorn.

Ore-some Copper Belles WI

July and August WI Village News.

Well, the weather was our friend in July and August and allowed us to have two glorious evenings outside together. In July, we had a picnic in the park; simple but effective at

allowing us all to gather back together as a group and have a long awaited catch up. The sun shone well into the evening providing the perfect conditions for our first non-Zoom meeting since the pandemic began. It was lovely to finally see each other in person and also to welcome some new ladies to the group!

Staying outdoors for our August meeting, we put our brains to the test with a scavenger hunt whilst enjoying a social walk. Within our teams we tested our general knowledge to work out the nature themed answers to a series of cryptic clues and then gathered the corresponding natural materials around the walk. To finish, we showed off our imaginative skills using the different items to create a team logo and name. Full marks for everyone with bonus points for the additional litter picked up along the way and a big thanks to Clare, our Treasurer, for setting it all up.

Next month, we plan to return to our indoor meetings in the Middleton Tyas Village Hall but will maintain Covid protective measures. Join us on Tuesday 14th September at 7pm for a talk about wild swimming, Alcatraz and being a WI Life cover 'girl'.

We always enjoy having new members so if you too would like to join us then please get in touch at oresomecopperbellesWI@outlook.com or via our Facebook page. Membership is £44 annually.

Defibrillator Familiarisation

We have arranged for a member of Yorkshire Ambulance Services to update residents on use of the AED (Automated External Defibrillator) located outside the Village Shop. The event will take place on Saturday 16th October at 10.00 a.m. in the Village Hall.

Please register your interest with Councillor Clare Lamb by email or text message to cllrclamb@btinternet.com mobile no. 07900008255 by end of September.

Numbers will be restricted to a safe distancing capacity in the Hall.

Wedding News

We would like you to join us at St. Michael & All Angels Church in celebration for the marriages in July of:
Dominic & Charlotte, Jonathan & Abbie, David & Tina, Arron & Faye and Thomas & Natasha.

Moulton Matters

Books in the Moulton Book Stop

The sale of books DVDs, CDs, plants, cakes and jigsaws in the bus shelter during June and July raised £774.30, thank you to all our supporters. All books, DVDs and CDs are priced at 50p. Good quality fiction books, plants and any other summer produce are always welcome. Please leave them on the benches in the bus shelter.

All proceeds will go towards Moulton Village Association funds.

Moulton Post Box

It has been noted that the time of collection has been changed and is now 9.00 am Monday to Friday and 7.00 am on Saturday. There is a 4.00 pm collection from Scorton Post Office and a further one at 6.00 pm at the Gallowfields Sorting Office in Richmond.

Moulton Hog Roast

Despite threatening weather, the Hog Roast was held on Yorkshire Day, 1 August. Almost 100 folks came along from the village and as guests of residents and enjoyed a splendid hog and prosecco – an interesting mix! Music provided by Del was much appreciated.

The event was completely funded by the MVA and thanks go to those who helped set up and pack up afterwards.

The Hog Roast was only possible due to the terrific work in the Moulton Bus Shelter where sales enable activities to take place in the village as we do not raise a precept. Thanks are due to those who buy the cakes, books, plants, CDs and DVDs, as well as the various other items left for sale. Thanks also to those who donate – without you our success would not be possible.

Please continue to support the Bus Shelter so that we can hold events and ensure the village looks at its best throughout the year.

Best Kept Village Competition

The Best Kept Village Competition was judged during the first two weeks of July with the village looking at its best – well done to everyone who made such a good effort – Moulton came in 4th. The result was a first for West Burton, second to Caldwell and third to Middleton Tyas.

Speedwatch

Speedwatch activity has recommenced after a break of a few weeks. If any resident would like to join the team, please email moultonparishmeeting@yahoo.com. The team is active when volunteers are available (and the weather kind) once a week in the early morning or late afternoon when traffic is busiest.

Defibrillator Familiarisation

As life returns to something resembling normal, a familiarisation session will be held on 30 September at 6.00 pm in the Black Bull Inn where the defibrillator is located. If you would like to attend and have not already indicated your interest, please email moultonparishmeeting@yahoo.com.

Moulton Communications

We have a circulation by email (Bcc) to over 70 residents in Moulton. If you are not receiving these or perhaps are new to the village, please contact the Parish Meeting and you will be added to the list: moultonparishmeeting@yahoo.com.

Church Cleaning:

Thanks to all who have volunteered to clean St Andrew's.

September: Mrs Vaux.

October: Mr and Mrs Whitehead

CONFIRMATION CLASSES

As you are no doubt aware, we are still without a rector in this benefice. However, our former rector, Rev Jenni Lane, has kindly offered to include anyone from this parish in her forthcoming preparations for Confirmation. She will be holding classes in Ainderby Steeple, October / November, on Thursday evenings at 5.45. The date for the Confirmation Service is 27th February at Ainderby Steeple. If you are over ten years old, child, or adult, and wish to take part, please contact Jenni at jennilane2013@btinternet.com

Reasons to be in a choir...

We asked some of our members for words that showed how they feel about singing as part of our choir, and the same words kept appearing:

Elation joy Fun Achievement Challenge Friendship Fulfilment Health

With the ban on choral singing lifted we are looking forward to singing together again and tackling the challenging, beautiful, and hugely enjoyable repertoire that choirs such as ours perform.

*Rehearsals start on Monday 6 September at 7.30pm
Come along and register from 7.00pm and we'll be
delighted to welcome you.*

We'll have music for you and give you 3 weeks in which to make up your mind about joining. We usually rehearse in Richmond Methodist Church (entrance in Dundas Street) but check our website or social media, or contact us by phone or email to confirm nearer the time.

The music for this term was especially chosen for the Richmond 950 celebrations and features popular works from the twentieth century to the present day - Ralph Vaughan Williams' *Fantasia on Christmas Carols*, Gerald Finzi's *In Terra Pax*, John Rutter's *Magnificat* plus a piece commissioned for the 950th celebrations with music by choir member Mark Harrison. The concert is on Friday, 19 November in St Mary's Church, Richmond.

Our Conductor Peter Stallworthy and accompanist Andrew Christer are both talented professional musicians, and we engage professional soloists and players for our concerts.

If you enjoy singing and would like to take part, please come along to our rehearsals and give it a try. There is no audition and you don't need to be able to read music (though it helps) and you'll find us a very welcoming choir.

Looking ahead, on 28 May 2022 Richmondshire Choral Society and Reeth-based Swale Singers come together to perform Handel's *Messiah* to open Swaledale Festival's 50th season with a concert in Ripon Cathedral. More on that nearer the time.
