November. The month that's almost as pointless and depressing as January. Best thing to do is confirm that it's cold/wet/windy and go back to bed. All you can count on is that if it's rained, Kneeton Lane will be flooded, if the sun is out it's so low that you'll be blinded and if you venture into a supermarket, they'll have turned Christmas up a few more dozen notches until you feel they are slapping you around the face with it. Stay at home, use your local shop.

Some of the more observant amongst you may have noticed that some of us working in the shop are no longer in the spring of our years. Autumnal going on a bit wintery going on deep snowy stuff. This can lead to memory lapses and/or confusion, especially when making sandwiches. Unless the customer wants a simple one ingredient sandwich, things start to get mislaid in what's left of our brains. "I'm sorry, was it mayo or salad cream you wanted?" has been uttered a few thousand times. The confusion comes when you are trying hard to remember what you are doing while simultaneously trying to conduct a sensible conversation (the latter of which is never my strong point to start with). I was chatting to a customer and he mentioned trying to take a photo of the new estate while flying from Newcastle. Now see, I spend all my time on the ground and if I fly anywhere, it's to the loo because I drink a lot of water. So naturally I assumed he was driving really fast from Newcastle while trying to take said picture. Jolly dangerous I thought as I tried to remember where I'd put the salad cream and whether he wanted it anyway. Then for a brief few seconds I wondered if he had a really posh commute. It wasn't until the sandwich was finished and he was waiting to pay that the cogs turned to the point that I realised he's a pilot. Leading again to my oft thought thought, after ten years involved with that shop, how the hell is it still open?!

Some of the customers we deliver to are going on a little wintery too. When they ring, sometimes the name of an item has escaped them and we resort to what can be a fun little guessing game with hopefully a pleasing sense of achievement at the end. If we sell it, we usually work it out but I was stumped recently with 'small, round and almost black'. It was late on what had been a busy day and we'd just been talking about grapes so the one thing I did know was that it wasn't them. After that, I had no idea and was resorting to asking 'fruit, vegetable, mineral?' when the customer who was waiting on a sandwich being made piped up with 'blueberries'. Well done that man, he was right. Late spring he was, brain still worked.

Talking of brains, October's quiz in the Shoulder in aid of Swaledale Mountain Rescue raised £321 – thank you to everyone who came. November's is on Tuesday the 19th and money raised will be split between North Yorkshire Air Ambulance and Swaledale Mountain Rescue. Then to give everyone a chance to get some mince pies made, write those cards to people you resolved to be in touch with more that year but failed miserably or to go see little Jack/Julie/them/she/it/Feather/Mountain/Tarmacroad in the woke nativity, that's it until January.

The end of October is the end of the shop's financial year so feel free to come and spend lots before then. It helps me sleep at night. Once again we've counted all the stock and amazed ourselves with how many different items we actually squeeze in. Remember, if you're ever in need of something, do ring and ask if we have it – don't just assume we haven't. Just recently one of the big supermarkets has been in the news for having stock that's way past its Best Before date on the shelves, as has a local-ish shop (Colburn). The former begins with As and ends in Da and we're talking months. Its not illegal, they're within their rights but to me, its just a bit ack. We try our very best not to have stock on sale that's past its best before date, unless its in our reduced basket, but sometimes we miss something – so if we have, sorry!

New in in our Indian ready meals (still going like hot cakes/curries) is a chicken chasni. No, I have no idea either. Sounds to me like it'll be wearing its pyjamas and fluffy slippers while on the school run. Who knows? Look out for our microwaveable pilau rice that's a better size for Shaz if she's the only one eating it and don't forget we also sell garlic naans, which are only a single portion if Shaz has got the munchies. We also do a very nice mango chutney.

QUIZ @ THE SHOULDER – TUE 19 NOVEMBER

FROM THE PARISH COUNCIL ~

Co-option to Parish Council

We won't talk about needing new Parish Councillors this month other than to say that we still need to. Further information can be gleaned from any Councillor or the Clerk (07542 809 587).

Calling all ex-Councillors

Out of over 20 ex-Councillors identified as still living in the village, we received precisely 0 replies to our request to join a celebratory photograph as the Parish Council reaches 130 years old. If anyone has changed their mind, do let us know and we will arrange a convenient date.

Grant Funding for new Play Equipment

Our recent application for grant funding was not successful as the fund was over-subscribed before its closing date. We are continuing to look for new grant providers.

Finger Post on the Village Green

We are trying to dismantle the Finger Post so it can be taken away to be restored. The Finger Post actually belongs to NY Council, but there is an agreement in place that any maintenance work required must be carried out by the village, at our expense; failing that, NYC will remove it. As this Finger Post, and the one at the top of School Bank, are an integral part of the Conservation Area, we are keen to have it restored. We have found a company to do the work, but dismantling it is proving very difficult due to heavily rusted bolts. It is hoped to complete the work shortly.

Closure of Middleton Tyas Lane

This road will be closed from 28th October for 5 days to allow connection of a new build house to the main village sewer. Diversions will be in place via the Moulton LAR (opposite Scotch Corner Services), through Moulton and the bottom of the village. Please note that bus service 34 will also operate on this diversion to Moulton and any passenger will need to walk up to the end of Scurragh House Lane. Or you could leave the village along Lodge Lane (flooding permitting!) if you are heading to Barton/etc. The Clerk has a map if anyone would like a copy (clerk.mtyas@live.co.uk). The works may well be completed before you read this, depending on publication date.

Email circulation list

If anyone would like their email address adding to a group circulation list for 'official' messages from NYC Highways, NY Police, etc, let the Parish Clerk know. Your name will not appear publicly on the circulation.

Next Council Meeting

The next meeting will be held on **Thursday, 14th November** in the Memorial Hall, starting at 7.00pm. You are all welcome to attend all Council meetings as 'observers'. Agendas and Minutes of previous meetings are available on the website at www.middletontyas.org.uk /Parish Council /Agendas & Minutes, under the relevant dates. If you wish to raise a matter for the Council's consideration, please let the Parish Clerk know at least 7 days before a meeting.

## October WI News

There was a brilliant turnout of twenty-nine members and three guests for our WI meeting in October. Everyone was gathered in the Memorial Hall eagerly waiting for the flower arranging demonstration to be given by Denise Marmont.

Denise, who trained at Houghall College Durham, is a fully qualified florist, with over 15 years of experience in the industry. She is a multi award winning florist at national level and also a Chelsea Flower show medallist. Denise also has her own business 'Muscari Floristry', working from her home studio in Bowes. So, with that pedigree it wasn't surprising that so many had turned out to see her demonstration. Denise certainly didn't disappoint, as she skilfully created a number of different, stunning Autumnal floral arrangements from the many bunches of flowers and fauna she had brought with her. Denise's warm personality shone through as she chatted away, giving hints and tips, answering any questions as she worked seemingly, effortlessly on her beautiful floral creations. At the end of the evening, all the flower arrangements, all the unused flowers and the remaining greenery were raffled off. So, a number of very lucky ladies went home with some wonderful floral creations!

As predicted in last month's report, this month we welcomed another new member, taking our tally up to 40.

On Tuesday 12<sup>th</sup> November at 7pm, we will be exercising our vocal cords, as we enjoy a musical evening of singing led by our very own WI member, Rosemary Priestley.

We meet on the second Tuesday evening of each month, usually in the Memorial Hall and new members are always welcome. If you're not sure about joining, please come along as a visitor, for £5. For further information, email us at [oresomecopperbelleswi@outlook.com](mailto:oresomecopperbelleswi@outlook.com), phone or WhatsApp Clare on 07900 008255 or send a message via our Facebook page <https://www.facebook.com>

## Defibrillator

There is a Defibrillator which has been installed on the wall of the Memorial Hall. It is easily accessible through the iron gates on the corner. If needed during the night time it is well lit. If you have NOT already called 999 please do so ASAP. There is a telephone on the wall on the left hand side of the Defibrillator cabinet - press the button for assistance.

The Defibrillator is NOT locked. To access the Defibrillator, turn the clear cabinet front anticlockwise. It will come loose and then you can grab the Defibrillator bag. Do not worry about the front falling to the ground. In an emergency getting the Defibrillator is all that matters. (The front can be replaced!)

If you need the kit please make sure that after the event you email either Christine Bryant - christine.bryant56@gmail.com; or the Clerk to the Parish Council - clerk.mtyas@live.co.uk. Christine B will make sure that the Defibrillator is checked and made ready for use once more so it is important that you let her know if it has been used. Thank you.

## **Moulton Matters**

**November 2024**

### **A Second Defibrillator for Moulton**

We now have a second defib in the village. It has been installed on West Ridge below the stairs and above the bins!

The purchase was made possible by a grant from Councillor Thompson's Locality Budget, a contribution from the 'defib fund' that we created when the Black Bull defib was purchased and a generous contribution from a resident. A further resident has kindly funded the electrical work that was needed.

Hopefully, the defib will not be needed. If there is a need, as with the other defib, ring 999 first and advise there is a defib in the village at West Ridge - they should be able to find it. Postcode is DL10 6QF.

Thanks once again to those who have made this possible.

### **Defibrillator familiarisation session**

A session for Moulton residents will be held in St Andrew's Church on Tuesday January 7<sup>th</sup> at 6.30 pm. It has been a while since we held a familiarisation session and Yorkshire Ambulance Service are able to deliver this for us.

The session usually lasts no more than an hour. They will explain what happens when you dial 999, how the call is triaged and how the defib works. There will be a training defib available and a manikin to show how the defib works and how to check if a person is breathing and how to do CPR.

If you wish to attend and have not already indicated your interest, please contact John Gentry at [moultonparishmeeting@yahoo.com](mailto:moultonparishmeeting@yahoo.com)

### **Moulton 100 Club**

The results of the October draw in the Moulton 100 Club are:

1st. Maureen Brown   2nd. Steph Snipe   3rd. Sue Knight

You can of course join the club during the year. The annual subscription is £2 per month or £24 per number per year – residents, family and friends can have as many numbers as they like – and the prizes will be 50% of the amount of membership fees received that month.

The sale of books, DVDs, CDs, flower pots and jigsaws in the bus shelter during September raised £89.25. Thank you to all our supporters. All books, DVDs and CDs are priced at 50p.

Good quality fiction books, plants and any other produce are always welcome. Please leave them on the benches in the bus shelter. Unfortunately for safety reasons, we are unable to accept electrical items.

All proceeds will go towards Moulton Village Association funds

## Moulton Hall

The National Trust has asked the Parish Meeting to advise residents that there is no public access to Moulton Hall. The paths have become uneven and if there were to be an accident you would not be covered by the National Trust insurance. Please also be aware that CCTV is in operation. Thank you for your co-operation.

All readings are as detailed in the Revised Common Lectionary unless otherwise shown.

The earliest we could have a new rector is around Easter.

For the moment it would be advisable to contact the church warden if the services of a vicar are required, and she will liaise with the relevant clergy. Thank-you.
