

## **The Artwork of John Davies created for the Village News**

John Davies has produced black and white drawings in pen and ink or pencil for the Village News for many monthly issues between 2002 and 2015. Some, such as those drawn for special events in the village, are ephemeral but the drawings shown here are more lasting and each is remarkable in its own right.

As well as pen and ink, John has worked in acrylic and water colour, usually focusing on the landscape, buildings and architectural details in and around Middleton Tyas and Moulton. He also produced 3D constructions in wood, wire, card and Perspex which were often abstracted from the landscape and the built environment.

A book, 'Drawings for a Village Newsletter', containing some of the drawings shown here, is available from the artist, as are high definition prints of individual drawings. John can be contacted at [jdavies343@btinternet.com](mailto:jdavies343@btinternet.com) or telephone 01325 377343.

July 2002; Finger Post Village Green
