NYP TIMES

Property Marking

Dot peen marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique reference.

The unique reference is then put into the national immobilise property register database.

Marking something like increases the chances that you'll get it back if it's lost or stolen. It also helps us to get convictions as evidence when something is stolen.

It can be marked on everything from steel and aluminium to plastic, so you can mark almost anything, from farming equipment, power tools, to electrical devices, bikes, and equestrian tack.

If you're interested in getting your property marked contact us and we'll get in touch with you to discuss what property needs marking and how and when we might be able to get it done.

Email: elliott.brown@northyorkshire.police.uk

We're appealing for information about a house burglary on the High Street in Gilling West

It happened between Tuesday 26 March and Tuesday 9 April 2024 and involved a suspect entering the address via the backdoor and stealing a half sovereign coin on a chain and a photobook.

We're particularly appealing for information about the whereabouts of the stolen items and any suspicious behaviour on the High Street between these dates.

Please email biani.onassisstevenson@northyorkshire.police.uk if you have any information that could help our investigation.

Alternatively, you can call North Yorkshire Police on 101, select option 2 and ask for officer ONE SIX EIGHT, or contact Crimestoppers anonymously on 0800 555 111 or via their website.

Checklist for securing your home when you leave it

It's vital to leave your home secure whenever you leave it. Getting into an 'exit routine' can help ensure that you don't forget obvious, important things, like not leaving your valuables near windows, or no lights on if it will be dark before you get home. Here's what you should do just before you go out.

Try to get into the habit of following your own course of action when you lock up your home. This will ensure that you don't forget anything.

Here's what we recommend you do before you go out:

Close and lock all your doors and windows, even if you're only going out for a few minutes.

Double lock any door.

Make sure that any valuables are out of sight.

Keep handbags away from the letterbox or cat flap and hide all keys including car keys, as a thief could hook keys or valuables through even a small opening.

Never leave car documents or ID in obvious places such as kitchens or hallways.

In the evening, shut the curtains and leave lights on.

If you're out all day, then it's advisable to use a timer device to automatically turn lights and a radio on at night.
