Total Crimes for June 2025 in the Richmond rural area – 32

Ten golden rules to prevent fraud

Remember these ten golden rules to help you prevent fraud and beat the scammers.

1. Be suspicious of all 'too good to be true' offers and deals. There are no guaranteed get-rich-quick schemes.
 2. Don't agree to offers or deals immediately. Insist on time to get independent or legal advice before making a decision.
 3. Don't hand over money or sign anything until you've checked someone's credentials and their company's.
 4. Never send money to anyone you don't know or trust, whether in the UK or abroad, or use methods of payment you're not comfortable with.
 5. Never give banking or personal details to anyone you don't know or trust. This information is valuable so make sure you protect it.
 6. Always log on to a website directly rather than clicking on links in an email.
 7. Don't just rely on glowing testimonials. Find solid, independent evidence of a company's success.
 8. Always get independent or legal advice if an offer involves money, time or commitment.
 9. If you spot a scam or have been scammed, report it and get help.
 10. Don't be embarrassed about reporting a scam. Because the scammers are cunning and clever there's no shame in being deceived. By reporting it, you'll make it more difficult for them to deceive others.

Would you like to host a property marking event in your area?

Your Richmond Neighbourhood Policing Team were with the Swaledale Outdoor Club assisting in property marking, using our Dot Peen machine on numerous bikes. What a great turnout it was with marking a total of 27 bikes throughout the event.

Dot peen marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number or word. This removes scratching of paint on items which isn't always effective. This unique marking is then stored on a database in which if we are able to locate stolen property, we would be able to reunite with its original owner. Property is also marked with a sticker to show that the item has been marked in order to help deter any criminality.

Items to be marked can include, but not limited to, bikes, computer equipment, horse tac, tools or any items you feel maybe susceptible to theft. The machine will not mark glass or ceramic.

If you would like any more information or would like to set an event up in your area then please email myself at
