Richmondshire District Council is reviewing its Local Plan Core Strategy (adopted December 2014) and has begun the preparation of a revised Local Plan by publishing an Issues and Options document for consultation.

The council is inviting representations on the Local Plan Review Issues and Options from **3 September to 31 October 2018**.

The scope of the Issues and Options consultation is to identify the key strategic issues and opportunities the revised Local Plan should address. It also outlines for consideration some options and initial ideas for the strategic policies in certain areas such as the scale and location of housing and economic development.

The Issues and Options paper, questionnaire, consultation information and supporting evidence documents have been made available on the council's website at www.richmondshire.gov.uk/local-plan-review

They are also available for viewing at the main council offices at Mercury House, Richmond, customer contact points in Colburn and Leyburn and libraries in Richmond, Catterick Garrison, Colburn and Leyburn during opening hours.

Four drop-in sessions will be held by the planning policy team which are open for anybody to attend to obtain further information on the consultation. These will be held at:

- **Leyburn** - Thornborough Hall, Leyburn – Thursday 27 September (3pm-7pm)
- **Richmond** - Richmond Town Hall, Richmond – Monday 1 October (3pm-7pm)
- **Gilling West** - Gilling West Village Hall, Gilling West – Thursday 4 October (3pm-7pm)
- **Colburn** - Colburn Village Hall, Colburn – Friday 5 October (3pm-7pm)

Representations should preferably be made using the [online questionnaire](#) which can be saved and returned to later. You can also print your completed form before submission if you choose.

Alternatively, representations should be emailed to localplan@richmondshire.gov.uk or posted to:

Richmondshire District Council
Mercury House, Station Road
Richmond, DL10 4JX

The deadline for representations is **5pm on Wednesday 31 October 2018**. Late representations will not be considered.

Once the consultation closes, we will read and analyse all representations and your views, along with the evidence that supports the Local Plan and the outcome of the Sustainability Appraisal, will be used to help develop our new Local Plan to the next stage of Preferred Options. This is where we will set out what we think is the best strategy to deliver Richmondshire's needs which will also be subject to public consultation.

Please check the council's website for regular updates and the latest position on the Richmondshire Local Plan. Please do not hesitate to get in touch if you require any further information or advice on this subject.
