Borderwatch

Can I draw your attention to Borderwatch. For those of you who don't know what it is we have volunteers who give up their free time and come out in their own vehicles on a night for a few hours to observe and record any suspicious vehicles or people around the Richmond rural area. This includes all of the villages mentioned on this report. **This month the Borderwatch volunteers have**

given up 20hrs of their time to help keep our communities safe by reporting suspicious vehicles and activity to myself whilst out in the Richmond rural area. If anyone wishes to be involved in Borderwatch please contact me(PC 1908 Mark Wood) on 07966973023

Property marking

Myself and the PCSO's have access to a property marking machine called a DOT PEEN machine. It's a really great piece of kit that will mark most surfaces and is good for leather saddles, power tools, gardening tools, farm tools, cycles and also some computers and mobile phones. We mark the property with a post code or something similar. Please email me if you're interested in having any property marked and I can arrange a time to do it. The email address is:
